

June 20<sup>th</sup> 2015 Letter from Mark Taylor on American Pharaoh

Hello brothers and sisters in the Lord. I wanted to share something with you I believe will be an encouragement to the body of Christ, which the Lord led me to do back in 2011. I will keep this short. Prophet Paul Keith Davis always spoke of how the horse Secretariat represented the end time church. Well, while watching the movie (Secretariat), I kept hearing “*there’s another one coming, there’s another one coming*”. I then sat down to listen and write what the Lord was saying.

I wrote a prophetic word on 7-24-11 called The Great Horse, it’s a little lengthy, so I will just give you the main parts. What God was saying, is that there is another Triple Crown winner coming and it would be a sign to the church and this generation, that her time to break out is here. He would break records including Secretariat’s, a sign to the church it would do things never seen before.

American Pharaoh broke Secretariat’s time in the last turn, quarter mile, a sign that we are in the last turn coming into the home stretch toward the finish line. Does this mean we are in the end times? Yes, does it mean we are at the end of time? NO! There is still much to be done, the end time harvest is just beginning where God will bring 1 billion souls into his kingdom before he returns. Well, it has happened, the Triple Crown, and I believe this was our sign for the American church. (American Pharaoh).

The word Pharaoh means Great House, Royal Palace. He had the number 5 which is Grace and Redemption, the winning time was 2:26 which I believe is Rev 2:26, (to all who are victorious, who obey me to the very end, to them I will give authority over all the nations). The jockey was from a 12 child family, and was the 12<sup>th</sup> Triple Crown win. 12 means Gods government (will be established upon the earth).

You will see a lot of the number 12 in the coming season. Donald Trump 12<sup>th</sup> candidate to enter the presidential race, hhhmmm more on that another time.

Some of the names in American Pharaoh’s bloodline- Empire Maker, Star of Goshen, Lord at War, Unbridled, Image of Reality, General, Key to the Kingdom, if these aren’t prophetic signs then I don’t know what is. There is an article posted on Elijahlist.com from Jonny Enlow and the revelation he got from the Triple Crown race, I encourage you to read it.

Back in 2013, I was listening to Gen. Eisenhower’s D-Day speech and kept sensing something was there. I again sat down to write the speech and see what the Lord was saying. I heard him say, “I want you to re-write the speech and address it to my church”, so I did just that, but didn’t release it as I didn’t know the timing. Then it dawned on me that the Triple Crown race was on D-Day, 6th of June, 2015. As I was reading the speech, I felt now was the time to release it. Below is the speech in pdf format. *[not presently available]* And go to youtube and search for Rick Pino and his song called “The Army of God“. It will bless you.

NOW IS THE TIME! Advance! Do not retreat. I like what Gen. Patton said, ”I don’t like paying for the same real-estate twice”: Blessings, Mark
