

## Bible Mistranslations

It is easy to miss the mark when translating from one language to another. This awareness has us alert that an incorrect (or misleading), translation can cause a reader to take a wrong turn, ending up way off course. As God's Plan moves along, His increasing light causes the Bible to become a book where hidden things get revealed. Truths are emerging to be understood correctly. As we are hungry for truth, His Spirit leads us into more truth. We are now more rapidly identifying translation inaccuracies in order to expose the truth.

### **Mistranslation: Acts 12:4 KJV & others**

*"...intending after **EASTER** to bring him forth to the people."*

The word "Easter" is an incorrect substitute for the Hebrew word that means "Passover". It is translated correctly as "Passover" in 28 other places where it is found in the New Testament. It is from the Strong's Greek word 3957. "Easter" is an intentional mistranslation in order to line up with church traditions. Deliberate mistranslations are like the tail wagging the dog, or the cart pulling the horse. Church tradition should never be put in front of the truth of the Word.
