

The Trump Card

“The Trump Card” is known as the last card played which wins the game. In the Scriptures, the last book describes the ultimate battle between the forces of Satan and the Lamb. The Lamb is the Trump Card & wins the game! Both the beginning and the end of the book emphasize that the book of Revelation is GOOD NEWS for His people, (Revelation 1:3 & 22:7). The book is presented as signs (symbols). It is the time of God’s wrath against the wicked, (not the righteous!).

It is the glorious story of His people being set free from the bondage of the old nature (through which Satan has ruled Creation).

It is a book of destruction of the tares that have choked the life out of God’s people.

It is a book that unveils (reveals) the Lamb within His people.

It is the book of the Lamb setting His people free.

It is the book of the Lamb shining His glory through a people world-wide, (as He through them takes dominion of the planet).

It is all about who will rule in our hearts & minds, and who will take charge of Creation.

It is all about the 6,000 year reign of corrupt Adam ending,

and the reign of the Messiah (the Last Adam), taking over through His people.

It is all about which Kingdom, which government, will rule.

The book is of things to come after John the Apostle, things to come to pass in the last days. The story line is seen with our lives as books (scrolls), but His Life is sealed up within us. The Lamb breaks those seals and sets us free. Man is given to rule the Creation realm, so in another sense the scroll is the deed to the planet. Our lives are seen as a scroll that is bound up with 7 seals. The scroll is a book. That book is the book of His Life within a people.

The Lamb breaks the 7 seals. With the breaking of the 7th seal in Revelation Chapter 11, the prayers of the saints are unleashed like never before. This triggers the blowing of 7 Trumpets. Each Trumpet-sound is a call to war against the wicked. With the blowing of each Trumpet, a blow is dealt to the enemies of God. But something amazing happens right before the blowing of the 7th Trumpet, the Last Trumpet, the “Trump Card.” We see the sequence clearly in Chapters 10 & 11.

In that chapter we first see the two witnesses raised. We remember that they are symbols. They represent the Word & the Spirit raised up to a higher level, the level of His Life seen in a people. Then the 7th Trumpet sounds. They are part of this. This last trump (the Trump Card), is the time when the kingdoms of the world have become the kingdom of our God! That time marks the beginning of the Millennial Reign of the Son (v.15), in and through His Overcomers!

But the devil, knowing his time is short, does not give up without a fight through his earthly agents. He also spews forth a vast flood (of lies) from his mouth like never seen before. All hell breaks loose. If that sounds like today, that’s because it is. It began in 2017 with a new Jubilee Cycle, 4 Blood Moons on the high Biblical Feast Days, the first year of President Donald J Trump in office, the beginning of the shift of the US embassy to Jerusalem, ISIS decimated, NK, China & Iran confronted, Brexit signed, a new Saudi Prince cleaning out corrupt top government leaders, Human trafficking & Drug trafficking addressed, global rise of conservative media, CPAC, Turning Point USA, many others, & the Q movement birthed. Abortion truths came forth, causing a rally toward pro-life while abortion clinics closed. Patriotism took on a new level, bringing unity to the US between people of diverse colors, backgrounds, & cultures. This move was typically fueled by Trump Rallies. These are all facts. All in 2017! These events were all in the natural, earthly realm, signifying what was happening in the spiritual realm.

But in the spiritual, heavenly realm, the mass awakening of His Virgin Bride began. This was viewed from many aspects as well, including a mighty spiritual global move of repentance tagged “It’s Time!” This gathering was seen in the farm fields of South Africa, in April, 2017 as over a million people gathered on 5,000 acres to cry out to God. Religious freedoms blossomed. Many other such gatherings of believers crying out to God also took place. That’s not all. Worship was seen in the streets, on state capitol steps, and even in the White House. An exodus began from dead religious denominations to home groups. Meanwhile, home-schooling & Christian/Jewish private schools all increased dramatically. Phone prayer groups popped up in 2017, some rapidly developed into national & international participants by the thousands. In parallel, the Prophetic movement exploded in earnest, with many lively, timely words proving true. Yes, truly, things shifted in the right direction starting in 2017!

These various streams of truth, in natural & spiritual manifestations began to flow into the same river of Life. It is the merging, the marriage of heaven & earth. His heavenly-oriented people seen upon the earth, effecting change in culture, society, environment, or wherever they are planted. We have been witnessing the New Jerusalem Bride descending upon the earth. Politicians, patriots, alternative (conservative) media, all openly have been giving the glory to Jesus/Yahshua, and pointing to the Word. President Donald Trump says that his decisions are based upon doing the right thing, (see Matthew 12:50). He is not the package we expected for His Spirit to inhabit to be salt & light internationally, but we are to brace ourselves to many other paradigm shifts in our thinking as well, for this is a new age never seen before. God’s ways are far different from ours, but always better.

We can also see the Millennial Age as the coming together of the rod of Judah & Joseph to form one new rod, (Ezekiel 37:19). This is best noted in Jewish believers coming to see Yahshua as their Messiah, while Christian believers are coming to see their Hebrew roots based on the Torah. Individually & together, they are often referred to as “Messianics.” There is a group called “The Messianic Jewish Alliance.” Their annual meetings have been breaking global attendance records since 2017.

The days of keeping religion isolated from politics/government/society/culture are over, never to return. Eventually the Federal government of the US will be totally run by the remnant, as will the governments of all godly nations. Soon, the Supreme Court will be made up entirely of “people of God’s Tree” (of Life). The Executive & Legislative branches will also become “dream teams,” as seen by prophet Mark Taylor.

“HOLD ON! At this moment (February 20, 2021), it seems like the tables have turned and the wicked are in control!” you say. But be encouraged. See the Biblical pattern. We know that when His justice is executed, then righteousness is learned in the land (Isaiah 26:9). God is not through with the US, only the corrupt systems that have held her captive. So what is the Biblical pattern? Right before a mighty outpouring of truth, God executes justice. He draws the enemy together to be vanquished. When they are drawn together, we look powerless in comparison. Only the overcomers stand strong in both faith & faithfulness. Such times are times of testing, to reveal the hearts of men...to see who gives up and who endures to the end. We saw this happen with the Red Sea Crossing, with the 10 spies vs Joshua & Caleb, David vs. Goliath, with the showdown on Mount Carmel, with Gideon vs the Midianites, with Jehu vs. Ahab, Jezebel & Baal worshipers, (see its prophetic parallels to Trump vs. Clintons in Jonathan Cahn’s book, “The Paradigm”), with Yahshua/Jesus’ death before His resurrection, etc. Imagine the dismay of His disciples!

That is what we are seeing now. I have no doubt that this time of darkness is to draw the wicked out in their arrogance & prideful overconfidence, to reveal their true allegiance, and gather them up for destruction. The tares are being bundled. I firmly believe that Donald J Trump will return to serve out his 2nd term and that the best is yet to come and very soon! God could bring national & global deliverance another way, but I feel in my Spirit that He is choosing to continue to work through Donald J Trump in an even more dramatic way.

There will be many new paradigm shifts in how the governments of this country will be organized & run. The US will revert from being based on a constitution rewritten in 1871 (that made the US a corporation giving our economic power over to the globalist; since we were financially devastated following the Civil War), back to the original constitution “for” the people, (not “of” the people).

I also see future elections secured, a new money system based on gold & silver, a decentralized Federal Government, with agencies in different states, and the White House shifting, perhaps to be in either Florida or Texas or both. I see Washington DC becoming a state of the US or divided up among adjacent states rather than having global ownership as it presently does. I see a global awakening with a billion-plus soul harvest, tremendous breakthroughs in medicine, healing, energy, transportation, agriculture, education, etc. I excitedly see the replacement of the fake mainstream news media & social media with outlets of truth & righteousness. After all, the false prophet, (representing all those who love & speak & practice lies), gets destroyed, along with the Beast, (representing the power of the beast nature within man). This is how Satan gets bound. The Beast & False Prophet gave power to him. Once their power is stripped away, then Satan has no teeth.

I see the discovery of ancient Hebrew scrolls continuing. We now know that a great deal of the New Testament was first written in Hebrew, from which it was translated into Greek & other languages. We now have all of the New Testament, including Revelation, in Hebrew. The English translation of the Hebrew Gospels may be completed for release this year. It is being done by Miles Jones, (see his website, www.thewritingofgod.com, menu item “Hot topics,” then “Research updates 2019”). I hope to share more on this in future writings.) These more accurate, pre-Jerome translations will rock the Christian world, (as Mark Taylor said would occur)! This is the time when hidden things are being revealed. Truth is rising up in every area.

I see the separation of tares from wheat. The tares are screaming & kicking & lashing out as they are being ripped away. When the tide turns soon, it will be dramatic, and God will certainly get the glory. President Donald Trump is just one of God’s overcomers. There are perhaps millions of us across the earth who are as well. We each have a particular role to play out at this time to be His agents of Light & Life & Love & Truth!

Some do not accept that the Millennial Age began in 2017 because it does not fit their timelines taught to them by religious leaders. I understand. I have started a study to explain the correct timeline in Revelation according to Scripture. Meanwhile, let’s get the big picture right while noticing what God is doing on the earth. It is time to look up and rejoice!
