

Prophetic Perspective of Current Events

(Mid-April 2019)

God's Plan is the Context for Understanding the Times:

We are witnessing earth-shaking events on a daily basis. They are happening in both the natural realm and in the spiritual realm. Weather patterns have become chaotic. The earth itself convulses with earthquakes, volcanic activity, & violent weather like never before. Governments seem to be out of control. Fear easily grips the hearts of mankind in these uncertain times.

But are they really uncertain times? Are they really out of control? Let's take a look at what's happening from God's perspective. We start with His overall long-term plan.¹ It is a 3-step plan as outlined here:

1. Create a man in His image & likeness.
2. Have that man multiply upon the earth.
3. Dwell within them to rule in righteousness upon the earth & seas & heavens.

The first Adam was in God's image, but he certainly proved that he was not in God's likeness, (character & nature). That's because Adam was just the beginning of the process to make that man. From Adam came a woman. From woman came the last Adam, Yashua (Jesus)². He was the first to come into the image *and likeness* of the Father. That is why He is called "the Son of God". He was conceived of His Father's Spirit. Now, because of His victory over the nature of the first man, Yashua could rise from the dead; and then place the seed of His Spirit into us. The purpose of this is so that we too could change into His likeness. We too could acquire the mind of our Messiah. In effect, we were "begotten again" in the sense that we were transformed from the kingdom of darkness into the kingdom of light. These people of light can come into maturity in Him. As they do, they display both the image & the likeness of the Son. And they have spread across the earth.

But we now have two multitudes. The larger one is the one of the first Adam who have not been transferred into the kingdom of light. These are the ones ruling the earth. Now the reigns are shifting from global rulership of those of the corrupt first Adam to those of the redeemed of the Son. The shift does not come without a fight. In the overview, we see that the first two parts of God's plan (listed above), are mostly completed, and now the third part is presently painfully birthing. Birth pangs don't come without a shaking.

1. See our Bible Lesson 00, the introduction to all of the Lessons. It is titled, "God's Plan".
2. "Yahshua," "Yashua," "Yeshua," or "Y'shua" are the closest in English spelling as to how his name would have sounded when spoken in his language of Hebrew. Religious tradition replaced His name with "Jesus", a transliteration from the Greek, and a poor one at that since there is no "J" in the Greek alphabet. The Greek itself was not a transliteration from the Hebrew, but rather a replacement, a long story in itself.

The Shaking

When His people are nearing maturity in Yashua, then God shakes the heavens & the earth (both spiritual & natural realms), so that everything not anchored in Him is shaken off. ³ The mixture is to cease at the time of fulfillment. The tares are pulled first as the wheat & tares both come into fruitfulness. The harvest begins with a separation. The yanking out of the tares is symbolic of justice being meted out to the wicked. ⁴ This shaking is also setting free the wheat to no longer be choked out by the tares. It is “the great & terrible day of Yahovah”;⁵ that is, *terrible for the wicked*, but *great for the righteous*!

“26...and said yet again once more I will shake not the earth only but also heaven.

27. And these words, once more, indicates the transformation of the things that are shaken because they are fabricated; that the things which will not be shaken may remain.”

Hebrews 12:26,27 The Aramaic English New Testament

The Harvest

The harvest is the end of an age and a transition into a new age. Specifically it is the end of the age of the reign of the first Adam with its fallen self-centered nature. It is the end of the governments, systems, institutions & organizations through which they exert control over the earth. ⁶ As this old age of Adam collapses, it is replaced with the new age of the reign of the last Adam, Yashua, Head & Body upon the earth. It is referred to as the “Stone Kingdom” in **Daniel 2**. It is also referred to as the “Kingdom of the Son,” ⁷ and sometimes as the “Millennial Kingdom”. This explains the meaning of, “a new earth & new heavens” since this is the new dominion in both the natural & spiritual realms.

Note that in this take-over there will still be governments & nations. They will just become very different in character.

3. Spoken in the book of Hebrews for our times, but prophetically told of in Habakkuk 3:6 plus in Haggai 2:6,7 & v. 21-22 as well as in Joel, Psalms, and elsewhere.

4. Matthew 13

5. Joel 2:11, (and as for God’s name transliterated as “Yahovah”, see our Mistranslations, Item No. 17.)

6. The reign of fallen man is clearly seen in the corrupt governments & systems of man, especially in politics, & in religion.

7. A Kingdom ruled not just by Yashua (Jesus) the Head, but also those who are mature in Him, who will be resurrected to rule with Him. He comes *IN* a cloud of witnesses of His Life. They are referred to as “those who overcome” in Revelation 2 & 3. They are the ones referred to as “sons” in Romans 8:19. It will be obvious who they are when they are displayed by being resurrected at the beginning of this age to rule with Him, and as Him. The Diaglott translation plainly translates the Greek as His coming “...with holy myriads of Himself,” (found both in 1 Thessalonians 3:13 & in Jude v. 14.). “The Scriptures” translation is also very close to this.

The Separation

Now that our foundation of understanding is laid, some trends become easy to see. As the harvest commences the separation begins in earnest. This separation manifests with many signs. Here are some of the signs that stand out:

- Polarity
- Contrast
- Distinct Choices
- Conflict
- Intensity of Darkness vs. Intensity of Light
- Crumbling of Adam's Dominion
- Strengthening & Expansion of Rulership of Messiah & His People

The Invisible becomes Visible

As the tares are pulled, the wheat is no longer choked out. The wheat then quickly matures and comes into its own destiny. The pile of tares becomes distinct from the field of wheat. The tares can no longer cover up & confuse the truth with lies. The purpose of the liar has always been to kill the truth. Truth is the threat that the adversary fears most. The strategy for Adam maintaining control has always been to silence the Truth. This explains the insane effort since Cain & Abel to keep the Truth out of the arena. We have seen this throughout the centuries with the banning & burning of both scriptures & believers, (“Jews” & “Christians”). Truth always wins when it is allowed to be present. And Truth is now in the arena. As the enemy loses his grip, he knows his time is short. Therefore he works in fury based out of desperation.

This frantic rage is seen as a constant flood of lies in the fake news of the mainstream media. It explains the violent attack against conservatives speaking on campuses. This is why there has been an increase of intolerance toward Christians & Jews. Here is seen the real motive behind the martyrdom of believers and the burning of Scriptures. This is why there is unfair censorship against believers, conservatives, patriots, & alternate media by the social media giants of Twitter, Facebook, Google, & others. This is why campuses have forbidden conservative speakers, and allowed violence against some who did speak up. This is also why Sarah Sanders, Mitch McConnell, & other conservative politicians have been threatened just for appearing in a public place like a restaurant. The dark forces have even tried to shut up Fox News with threats to their advertisers. It doesn't stop there. Complaints spew out against beacons of light within Fox News, such as Judge Jeanine, Tucker Carlson, Sean Hannity, and previously with Bill O'Reilly. We noticed their dirty tactics to take out Brett Kavanaugh from rising to become a Supreme Court Justice. The patterns consistently repeat to block the confirmation of conservative appointees everywhere.

This “flood-of-lies-approach” first stood out to me years ago, with the demeaning attacks against Sarah Palin. They were not based on fact or logic. They came as peer pressure to join the mob. It was like everybody knew what she was most hated for except me. So, at the time I researched what it was that she was most famous for in her career as Governor of Alaska. What I discovered was her rule of iron in dealing with government corruption! She didn’t care if it was Democrat or Republican when it came to administering justice. What became clear was that the attacks against Sarah Palin were rooted in demonic frenzy about having their kingdom dismantled. Those not receiving truth were willing pawns to be used in expressing the anger of foul spirits.

Today we commonly see this method of trying to discredit a person by creating lies of dirty deeds. Such a tactic is amplified against President Donald Trump. We’ve noticed that just like their strategy of Mueller’s Report to take down our President has failed, so have their efforts failed to twist the truth regarding the border wall, the economy, the need for a strong military and many other issues. Their failure is because they are fighting against what God is now doing through our President.

When lies become ineffective by themselves, then the forces of darkness attempt to drown out the truth (wherever it is voiced), by interrupting, yelling, false accusations, intimidation, condescension, boycotting, banning, & threatening. Most of these schemes were recently employed by Jerry Nadler (a Democrat House Representative), against Candace Owens. Yet we saw an anointing in her that stole the show as she exposed the Democrats and flooded the arena with truth. It was God raising up a higher standard through her, for this is the time for Him to inhabit man and take over the world.

The Prophetic Trend of Distinct Choices

As God prepares the new age, there is no middle ground. God is giving more light to His people, while sending more delusion to those who do not love the truth.⁸

So now the polarity of thoughts are defined as seen here for starters:

- pro-life vs. pro-abortion
- pro-Israel vs. anti-Israel
- pro scriptural marriage & family vs. anything that would undermine them.
- pro United States of America vs. anti-American
- pro-Constitution of the USA vs. socialism
- for accountability vs. victim-mentality
- for smaller government vs. bigger government
- for legal immigration vs. illegal immigration
- for the God of the Scriptures, or against Him

And the list goes on!

8. See 2Thessalonians 2:9-14, but also Romans 1, and Isaiah 5:20, 21.

The building of the border wall is a sign in the natural that spiritual lines are being drawn. Soon there will be no flirting with going back & forth. One side will present darkness. The other will be light & life. Access by the enemy is ending. They are in panic.

The Prophetic Trend of the Convergence of Light

The wheat is now being seen as standing like a united army as the tares are removed. The people who love truth & light & righteousness are beginning to merge as we enter the new age.⁹ The “truth-seekers” are being knit together through various streams of truth, and these various streams are beginning to flow into a common river. Denominations and other religious groups are no longer able to hold back the truth-seekers. A bigger vision is emerging. And His Spirit is knitting these “unchurched” believers together in prayer, in home groups, in neighborhoods, in politics, in patriotism, in prophecy, and in understanding of our Hebrew roots.

For example, the prayer movement meets globally as phone prayer meetings. There are now 44 states with phone prayer meetings associated with www.strikeforceofprayer.com, (the prayer movement that Mark Taylor is networked with). A year ago there were none. And there are dozens of other phone prayer meetings, some in other countries. Together they share common ground to intercede for righteous ruling, specifically with President Trump, our country, Israel, and whatever His Spirit leads 24-hours a day, 7-days a week.

Politics show a distinct choice between conservative Republicans & Democrats, with their platforms aligned in polarity according to the list on the previous page. God is raising up many others like our President to govern our country at local, state, and national levels. They are ruling with a rod of iron in the ways of righteousness. They are gaining momentum. This is just the beginning. Not only is this happening in the USA, but in Brazil, Italy, Israel, Australia, and other nations. God’s ways are becoming established upon the earth.

Along with a distinct choice at the voting booth, there is a resurgence of patriotism & vision of what is right, as bolstered not only by President Donald Trump, but also by the “Q movement”, pro-life movement, prayer movement, conservative movement, and others. But a real prophetic identifier is the explosion of the “Messianic/Hebrew Roots movement.” Let’s explore some background to this which will lead to its significance. To comprehend the prophetic perspective of this move, we begin with the division of Israel into two nations.

9. We did a study on the prophetic vision of this just over a year back. See our Study No. 06, “Convergence of Light”. Now we are seeing it with much greater understanding.

Ancient Israel was Split into Two Nations

The nation of Israel split into two nations soon after Solomon's reign. The 10 tribes of the northern part carried the name, "Israel." The southern part was named "Judah," (the predominant tribe of the two tribes there: Judah & Benjamin).¹⁰ It was prophesied that the national split would later end with a reuniting. This would not only be a restoration of the nation, but the catalyst for a global restoration...indeed a very great awakening. We'll look at that in the next section.

In the natural, the northern nation of Israel was conquered by the Assyrians, who then dispersed them to the area just below and between the Caspian Sea and the Black Sea. These Israelites later aided the Medes in defeating Assyria, but then many of the Israelites made an exodus to escape servitude to Media & Persia. Their routes included going North between the two seas, crossing the Caucasus Mountains, as well as going West into the area now known as Turkey, (some also went East). From here in the north and west they migrated to settle western Europe, Scandinavia, and the British Isles, as well as elsewhere. According to prophecy they truly were mixed in with heathens as they were dispersed among the nations, and in large part adopted the pagan lifestyles. God had divorced them.¹¹ Amazingly though, in spite of this, a prophecy came forth:

"10...Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measure nor numbered; and it shall come to pass that in the place [among the nations] where it was said to them, YOU ARE NOT MY PEOPLE; there it shall be said to them, YOU ARE THE SONS OF THE LIVING GOD."

Hosea 1:10 George Lamsa Translation

It was these areas of Great Britain, Europe, and Scandinavia who first eagerly embraced the Gospel. God's plan was to sow Israel among the nations, and to so thoroughly mix them with the nations, that they could not return to God without drawing the nations back with them.¹² These are the thousands of millions prophesied by Laban & his mother to come forth from Rebecca. These nations were seeded with the remnant of good figs to be salt & light. This sheds more light on why Paul was told to go northwest, rather than to the East. He eventually reached Spain, and then finally England.¹³ So God remarried the people that He had divorced.¹⁴

10. We keep in mind that both nations had people from all 12 tribes living in them, which is easy to prove in the scriptures, but for another time.

11. Stated in Isaiah 50:1, and in Jeremiah 3:8.

12. They came back into Covenant with God. His plan was always global, for His Kingdom to encompass the entire earth. Israel was originally to be a nation of Priests to minister truth to the nations.

13. Made plain in the 29th chapter of Acts, discovered in recent years, too late to be canonized.

14. According to the Word, one may not take back a divorced wife, but we also see that the death of one party negates the past relationship. Yashua died, then resurrected to take back His Bride. That is why both Passover & Pentecost (Shavuot), are together the 1st work of Messiah. See our Lesson 10 on "The Two Works of Christ."

The Prophetic Trend of the Two Rods Joining

As we mentioned in our last section, it was prophesied that in the end the rod (authority), of each nation from Israel would reunite to become one new rod under one ruler. Israel of the north does not join to become Judah, and Judah does not go the other way. They both come together to form one new rod, with the ruling force of each combined.¹⁵

In the natural we have seen the merger of Israel & the United States into a solid team.¹⁶ But what is this alignment speaking to us in the spirit realm? We can piece this together from seeing what the ancient nations of Judah & Israel represent. Judah is known as being the center for the Word, the law, the rulings, the Torah. Northern Israel is known for it's move of the Spirit with prophets like Elijah, Elisha, & Hosea. It is later known (after the nation was dispersed), for where the Spirit stirred the people to receive the Gospel. The 2-rods can also be seen separately as the authority of Judaism as one, and the authority of Christianity as the other.

This opens the door to see a bigger picture. Judah (land of the Jews), is known for having the Word, but not acknowledging Yashua as the Messiah. Christianity is known for acknowledging Yashua (Jesus), as the Messiah, but in large part rejecting the foundation of the Word as laid out in the "old" Covenant. But now we are seeing a Hebrew Roots/Messianic movement, a new middle territory where both sides meet. The Hebrew Roots people" are leaving traditional religious Christianity in droves. They are leaving the dead church system, (where pagan traditions abound). They gather in homes, studying the Word, especially translations from the Hebrew & Aramaic. They are seeing the many mistranslations in most English translations.¹⁷ They have not left their core belief in Yashua (Jesus), and they do not believe in salvation by works, (of which they are falsely accused by the uninformed & misinformed). They have not traded Christian religious traditions for Jewish religious traditions. They have not become Jewish. They have not joined a cult. They have not lost their minds.

Perhaps we'll do a full study on "Two Rods Joining", but for now, for those who can see it in the Spirit, the 2-rods represent many aspects of a larger picture of God & man. Here are a few more: Word & Spirit to become His Life, Yeshua the Head with Yeshua the Body to become His government, sun & moon to become one light within a people, new heavens & new earth, 2-witnesses to become one reality, Bridegroom & Bride, and more. It is all about marriage. This will be explored further in our upcoming Lesson, "The Marriage of the Sun & the Moon".

15. This can be seen in Ezekiel 37:19, Jeremiah 3:8, Hosea 1:11, and elsewhere.

16. Why the USA? This would be a study in itself. Please forgive me for not going into that now. To do so would detract from the big picture I'm to paint in this study. But for now, we know that America has carried the baton from Great Britain to be the launching pad of the Gospel to the world.

17. People like Jonathan Cahn, Monte Judah, Jeffrey Benner, Todd Bennett, Michael Rood, Keith Johnson, Brad Scott, and many others are some of the pioneers in this new turf.

The Jews on the other hand are beginning to see and embrace Yashua as their Messiah. They are referred to as “Messianics”, and form their own congregations. What do these “Hebrew Roots” people & “Messianics” have in common? They have the best of both worlds. They are becoming a people who have not rejected either the Law (Word), or the Messiah. After all, He is “the Word seen in the flesh”. He is the example of what the Law is meant to look like in a life when lived out by the Spirit. The Torah or Law or Word is better translated as “the teachings”, meaning the ways of God, to bring blessings to those who walk in them by His Spirit within.

They are a people in whom we are beginning to see an example of this one new rod. This new rod is those who walk in the authority of the Word & the Spirit. They have the Law written on their hearts and on their minds. They know what God wants them to do, and they want to do it. This is the crux of the New (Renewed) Covenant.¹⁸ In other words, the Law, the Torah, the Commandments, the Rules, the Statutes, the Old Covenant are all expressions used as “the Word”. They are teachings of the ways of God to be obeyed not just outwardly, but also internally by His Spirit. He knows that doing so will bring unity with Him & blessings to us. His motive is Love.

We are not to be merely following outward observances, but are to be changed within, so that our lives are in harmony with His ways, His life...so that the Word can become flesh in us as in Him. We are the written Word that people read!¹⁹ The Word apart from being lived out in His Spirit is a dead end. We note that in order to be lived out, it brings death to the old Adam nature, and life to the last Adam people.²⁰

The church systems of religion have sought to hide these basic truths. The Nicolaitan spirits within the corrupt religious systems have sought to keep truth hidden (such as that found in our Hebrew Roots), in order to keep us under their control. Now the corruption of the religious systems is being made known. Several of our Mistranslation & Religious Myths Items expose some of those efforts to separate us from the truth in the Word.

18. The definition of the Covenant is in Hebrews 8:10 & 10:16. This intention of the Covenant was proclaimed most famously in Jeremiah 31:31-33 plus in Ezekiel 36:26, but also elsewhere in both books, in addition to Zechariah 8:8. It is the main theme of the summary of the Law by Yashua (Jesus) in Mark 12:28-33 where He is quoting from Deuteronomy 6:4-6 & Leviticus 19:18. Note also that Moses said in Deuteronomy 10:16 that we were to circumcise our hearts, as Paul emphasizes later.

19. In Daniel 4 & 5 it was noted and spoken several times by onlookers that in him (Daniel), dwelled the Spirit of the living God. The same could be said of other men of faith throughout the scriptures.

20. The church systems of religion have sought to hide these basic truths. The Nicolaitan spirits within the corrupt religious systems have sought to keep truth hidden in order to maintain control.

The Prophetic Trend of Higher Standards

Another prophetic trend comes from understanding what maturity in our Messiah means. It means higher accountability as we come into His character & nature. This higher standard will be seen in many different ways.²¹ For example:

- Expect the United Nations to be dissolved and be replaced with a coalition of nations led by the USA & Israel. We see the beginnings of this as money gets cut off from nations that support terrorism; and as the USA & Israel collectively take the lead in energy, economy, military & technology.

- Expect to see the Federal Reserve Board replaced with a scriptural financial system.

- Expect Daylight Savings Time to go away as time zones become standardized. Already there has been legislation drafted to deal with this disparity.

- Expect to see the various Hebrew calendars be replaced with the one true scriptural calendar based upon the sun, moon & stars which were given for times, seasons, & signs. And we'll come into a mutual understanding as to which one that is and why!

- And it would seem likely that the scriptural calendar will eventually replace the Gregorian calendar.

- Expect to see Pagan holidays give way to scriptural feasts that focus on Yashua.

- Expect to see the dissolving of the middle ground to accelerate as the separation continues and people wake up. A classic example of this is the first rally that President Donald Trump had after the Mueller Investigation ended (and exonerated our President). At that rally in Michigan 1 out of 3 attendees were registered Democrats! Those who were previously hoodwinked by their party leaders & news media, are starting to see what the two parties really represent.²² Those in the middle are shifting to one side or the other.

- Mediocre marriages will strengthen or dissolve as middle-ground disappears.

- Expect further archaeological discoveries to bring forth more light on the Word.

- Expect further medical advances along with health awareness.

- Justice will increase. People of the dark side at (or formerly at) the highest positions of government will be arrested & convicted of treason. Judgment will increase as tares are removed. We've already seen the destruction of all ISIS caliphates, and the capture of El Chappo, (known as the biggest drug lord).²³

- The Supreme Court (& all courts), will continue to be filled with God's people.

21. We note that the time of God coming to dwell in a people through whom He'll rule on the earth is likened to a city (government) called New Jerusalem that descends from the heavenly spiritual realm to manifest upon the natural earthly realm.

22. This was detailed in a "The Daily Brief" email, put out by Capitol Hill Prayer Partners.

23. This was prophesied by Mark Taylor in his 10-7-15 prophecy titled, "America, America." This along with all of his written prophecies are posted on our website.

•Main-stream Media will either change to promote truth, or continue to be replaced by those who do. Choices to Democrat-controlled-Media are rising in popularity.

•Selections will steadily emerge to provide options to “dark standard.” Examples are usa.life instead of Facebook. AMAC instead of AARP, newsmax instead of Time magazine, etc.

In conclusion, these are the most exciting times that we’ve witnessed in our lives. The wicked are being brought to justice, and the righteous are coming out of captivity. Yashua’s Kingdom is rolling in...and we’ve lived to see it happening!
