

Revealing the Big Picture

Snapshot Bible Concept: "Christianity Distorted by Paganism"

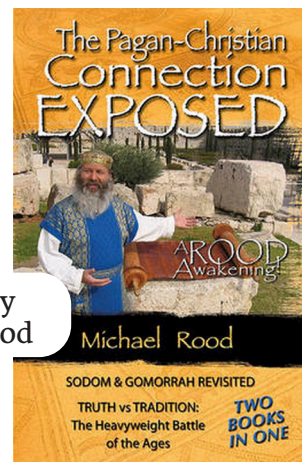

We were shocked to wake up to the ties of Christianity with paganism. Once we became "truth-seekers," we started to ask hard questions. Seek and you'll find. We became enlightened with the big picture when we came across these books by a variety of authors. The books align with both scripture & history. Although they overlap some, each is unique, and all are well documented. It's a joy to share this info with you. It's time to question, to search the Word by the Spirit to get answers. ¹ *It's time to wake up!*
