

Snapshots

Snapshots are a quick picture of a Bible Concept or theme. We limit them to 1–page. We also include some sort of graphic image. We do this because a picture is worth a thousand words. They are so easy to remember; a framework for the theme.

Why are we generating an assortment of these snapshots?

It's because we don't have the time to write in–depth for the avalanche of truth that we are presently seeing. Our part is to write the “big picture” of what He shows to us, and then share the concept with you. But nowadays, this avalanche of truth is tough to keep up with! Snapshots allow us to quickly send nuggets your way.

Some snapshots are of existing writings. In those cases, leaders who want to know more can read the full writing. Some are “independent” of existing writings. For them, we may or may not do an extensive writing from the snapshot in the future.

The great thing about snapshots is that they are a quick way to see the latest “truth–bomb.” The downside is that they are limited to 1–page, where space is limited to provide much documentation, further explanation, details, context, justification, or exceptions; however, we do provide some leads for the reader to do additional research on their own. Our hope is that they do! What fun to be a truth–seeker, (as opposed to being pew–warming sheep that blindly accept what they are fed).

Truth is flooding the earth right now at an accelerating rate. It is the end–time that was prophesied of thousands of years ago.

“...’Go, Daniel, for the words are hidden and sealed till the time of the end.”

Daniel 12:9 (Words spoken to Daniel) The Scriptures

“...For whatever is covered shall be revealed, and whatever is hidden shall be made known.”

Matthew 10:26 (Spoken by Yahshua to his 12 disciples) The Scriptures

May you be as inspired by the Snapshots as much as we are,
