

Revealing the Big Picture

Snapshot Bible Concept: "God's Plan"

Here's a snapshot of the Intro Bible Lesson, "God's Plan", the plan of the ages for Creation.

Adam was a son in the image of God (in that he was a living soul), but was not in God's likeness, (character, nature, & Spirit). A boy can look like his dad, but not be like him at all. But the Messiah, like God, became a life-giving Spirit, a true firstborn Son, the goal of Part 1. The billions of Adam became the earthen vessels who could receive the Spirit of Messiah to become Sons; only a remnant has. They also have filled the earth, the goal of Part 2. It is now time for the Messiah & His company of overcoming sons to rule creation. We are witnessing the transition of dominion from fallen Adam to Messiah in & through His Overcoming Remnant. The prophets spoke of and have longed for this day!
