

Birth Pangs

The Most Amazing Birth

Birth pangs are a sign of the transition from pregnancy to birth. The old must end (the pregnancy), for the new to begin, (the birthing of new life).

Just as it is the same mother before & after, it is the same planet before & after the “old heavens & earth” are replaced with the “new heaven & earth.” There is however a huge difference between “the before & after.” What’s the difference? The birth pangs cease, and there is new life! There is new life from the mother, and there is also new life in the “heaven & earth.” The earth, with both it’s natural skies & spiritual ruling forces, are replaced, restored, & rejuvenated.¹ In the physical realm, the skies (day & night), no longer have satellite weaponry, chem trails & toxic pollution. These natural skies also represent the spiritual heavenly realm. The heavenly realm is where the ruling spiritual principalities & powers of both light & darkness reside. These forces empower their earthly agents to further either the Kingdom of Light, or the Kingdom of Darkness.

With that concept in place, now let’s look at this “birth pangs” scripture passage:

“1. And a great SIGN² was seen in the heaven: a woman clad with the sun, with the moon under her feet, and on her head a crown of twelve stars. 2. And being pregnant, she cried out in labour and in pain to give birth.

Revelation 12:1,2 The Scriptures Translation

This symbolic birthing represents several things. To keep to the big picture, I won’t diverge here to explain all of the details. In the natural, this prophetic sign actually was seen in the heavenly natural skies in 2017, signifying that the time for its fulfillment had arrived... a major change starting that year.³ This painful process, is also seen in the spiritual.

1. The Greek word for “new” here (from Revelation 21:1), is Strong’s 2537, which means new in the sense of “fresh.” When we wash our laundry, it is the same laundry, but becomes “fresh.” There are other Greek words specifically for “new,” as in “never before.”

2. All caps are mine for emphasis. “Sign” indicates that this is symbolic imagery. This is not about the physical birth of Yahshua. How do we know that? Well, this sign was given to John after he was told that this vision is of “things to come.” (Revelation 1:1). The physical birth of Yahshua was decades before John’s vision. There is however another verse that seems to indicate that it is about Yahshua. We’ll present that scripture later on in this study, where we’ll show how this apparent contradiction is reconciled.

3. This sign in the heaven was actually seen September 23, 2017. The constellation Virgo displayed a bright star in her belly that moved out through her birthing canal. She had 12 stars above her head, and the sun was over her shoulder. For a picture with more on this, see page 116 of “QAnon and 1000 Years of Peace” (Edition 2), on page 116. Note, 2017 is the year that I’ve marked, (with many proofs), in previous writings as the beginning of the 1,000 year reign of the Kingdom of the Son. Many reject this because it is not happening according to the common religious narratives that we were taught. There are however many scriptural proofs, as I’ve pointed out in Lesson 12 & in Study 8, for starters.

The New-born Son Identified

In order to understand the spiritual meaning, we first see that it's all about her son. So, we ask, "Who does the son represent?" The next few verses have the "give-away-clues."

"3. And another sign was seen in the heaven: and see, a great, fiery red dragon....4.... And the dragon stood before the woman who was about to give birth, to devour her child as soon as it was born. 5. And she bore a male child who was to shepherd all nations with a rod of iron. And her child was caught away to Elohim ⁴ and to His throne."

Revelation 12:3-5 The Scriptures Translation

So we see that the new son is the one "to shepherd all nations with a rod of iron." Scriptures identify this special son in several places, with each passage revealing more. Here's one:

"26. And HE WHO OVERCOMES and guards My works until the end, to him I give authority over the nations. 27. and he shall shepherd them with a rod of iron, as the potter's vessels shall be broken to pieces, so I also have received from My Father. 28. And I shall give him the morning star." ⁵

Revelation 2:26-28 The Scriptures Translation

This tells us that the newly-birthed son is "he who overcomes." Let's explore what this means. We go now to Revelation Chapters 2 & 3 to see the big picture of an overcomer. In doing so, we find there seven different assemblies of Messianic believers who receive Divine messages. Each message is unique to that assembly, pointing out their strengths & weaknesses. But all 7-messages have something in common. What is in common? They each end with a further, deeper message given to any among them who have the desire & spiritual understanding to grasp it. These further messages also have something in common. They all are promises of what "to him who overcomes" will inherit; and there are a total of seven of these promises. We also see that the rewards will far exceed the efforts & sacrifices needed to obtain them. They all are encouragement to keep pursuing a deeper relationship with Yahovah.

So we see that the newly birthed male-child is an "overcomer" who will inherit the most valuable of things. And since the message is to seven different groups, it follows that there are no fewer than 7-overcomers to emerge from them. In other words, this newly birthed son does not represent an individual, but rather a group of many individuals. We can therefore refer to this son as a "company of sons," or a "sonship company," or "the overcoming sons."

4. Elohim is a Hebrew word for God or gods, identified by context; so is used here as Yahovah.

5. The One New Man Bible adds clarity on the last part with "...I shall give him authority over the heathens and he will shepherd them with an iron rod and shatter them as the vessels made of clay shatter." just as I have taken this power from My Father, so will I give him the Morning Star." Note that Revelation 22:16 identifies the Morning Star as Yahshua, then 2Peter 1:19 says that we receive this (Yahshua's), authority too at the "end-times."

The Son is “the Overcomer,” but What Does That Mean?

We’ve seen that the newly birthed son is “he who overcomes.” But what has he overcome? Well, we see that in this passage, plus how he overcame:

“11. And they overcame HIM⁶ by the blood of the Lamb, and by the word of their testimony;⁷ and they loved not their lives unto the death.”

Revelation 12:11 The (Aleph-Tav) Cephher Translation

As my footnotes below detail, the overcomer’s testimony is that he/they speak and walk in the word, (our Savior’s character & nature). We cannot do this in our strength or wisdom. It is only because we have been redeemed by Yahshua, and received His Spirit⁸ that our nature can be transformed. Then it takes a lifetime of progress through trials to test how important this is to us. Do we want to pay the price to have our lamps (life) filled with oil (His Spirit)? One key sign of maturity is that the person keeps His Word (Torah teachings of life), from their heart, (not just outwardly), and obeys His Spirit.

It is then that we become His new/renewed covenant people, those who have His Word (Torah) written on their hearts and in their minds...who know the right thing to do and want to do it. Such people have no open doors to Satan’s deceptions. These overcomers are not able to be compromised by greed, pride, lust, intimidation, or blackmail. They have picked up their old nature onto their execution stake and continue to move on to follow the Lamb wherever He leads them in their particular race. They acquire the mind of Yahshua. Their lives are fruitful with His 7-fold Spirit and His 12-fold character, the full embodiment of the nature of Yahovah in & through the unique creation that each one is.

Here’s another verse linking overcomers as sons, the ones who inherit the best promises:

“7. He who overcomes shall inherit all things and I will be his God and he shall be My son.”

Revelation 21:7 The New King James Version

6. From the context (verse 9 just before this verse), “him” is identified as “the great dragon, that serpent of old, the Devil and Satan.” He is further described in verse 10 as “the accuser.”

7. “The Twentieth Century New Testament” expresses this clearly as “and to the Message to which they bore their testimony.” “The Complete Jewish Study Bible” echoes this as “and because of the message of their witness.” It is “The Passion Translation” that pulls it all together as “and the powerful word of his testimony.” Their footnote reads, “It is the faithful testimony of Jesus [Yahshua] that has the power to destroy the works of the devil.” The confirmation that it is His life in His people that defeats Satan is found in verse 17, “...and have the testimony of Jesus [Yahshua].” This too has a footnote that explains: “That is, they have the character and nature of Jesus. It is the power of the faithful testimony of Jesus [Yahshua] (not ours), that has power to overcome the devil.”

8. Redeemed by the blood atonement of Yahshua followed by the infilling of His Spirit are together the 1st work of Yahshua, the spring rains, the fulfillment of the first two (both are spring Feasts), of the 3-major Feasts.

Jonathan Mitchell's amplified version provides great insight into the verse's magnitude:

"7. The one habitually overcoming will proceed inheriting (acquiring by lot) these things, and I will continue being a God for him (in him; to him) and he will continue being a son (Griesbach⁹ reads: the son) for Me (in Me; to Me)."

Revelation 21:7 The New Testament by Jonathan Mitchell

One Son Leading His Younger Brothers

Moving along, here's a fascinating expanded revelation about the new-born son(s). Read all of Revelation Chapter 19 to get the context. Verse 11 begins our focus. It is here that heaven opens for John to see a vision of symbols that shows a King of Kings on a white horse who comes to judge and make war with forces of darkness:

"15. And out of his mouth goes a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron..."

Revelation 19:15 The Aleph-Tav Cephher Translation

This is the verse that I told you about earlier that would seem to indicate that the woman with birth pangs seen in the heavens seems to point to the birth of Yahshua, our Messiah. But we know it couldn't be, as explained in the timing. Yet His birth was prophetic of this sign to come (which came in 2017), of an even bigger birth. It is the birth of a multitude of sons! Yes, sounds painful. That's because it is! Yahshua was the first Overcomer, and because He was, He could then redeem & infill many others to do the same. We act as one.

So what we see here is that the sons are His army, also on white horses, who come united with the king of kings. They are the kings over which He (Yahshua), is king. Together they rule with a rod of iron to subdue the nations into righteousness, not putting up with any rebellion or foolishness. This signals the taking of the reigns of authority away from the corrupt governments, system, & institutions of depraved, fallen Adam. The sons and their leader both take authority to rule. They do this because the King of Kings is in each son. They each have His mind and know what to do and how to do it. He is in them, and they are found in Him. He inhabits the home that they are. The sons are living stones, fitted together to form His Home, His Temple, His Dwelling-Place, His Mount Zion, His New Jerusalem Bride, manifesting His Power on earth for all to see! That is how all the earth will see His return. He returns in His People, His Bride, which is His Glory, which fills the earth as the waters cover the seas, (**Habakkuk 2:14**).

9. All inserts in parentheses are Jonathan Mitchell's. Johann Jakob Griesbach was a German Bible textual critic of the 2nd Writings, (the New Testament).

Two or One?

Did you happen to notice in the second paragraph of this study, that the first creation realm was the “heaven_S (plural), & the earth,” (**Genesis 1:1**), and that they are replaced by the “new heaven (singular), & earth,” (**Revelation 21:1**)...that there was more than one heaven to begin with, and they are replaced with just one heaven at the end?

And in reading **Revelation 19**, did you also pick up that Yahshua comes with His “armie_S” (v. 14), but then in verse 19 the enemies’ armies deal with Yahshua’s “army”?

Both of these plural-or-singular contrasts are harmonized when we understand this “sonship company” born of the woman. In the first example, at one level of understanding we see that there are both natural heavens (skies, clouds, stars, etc.), and spiritual heavens, where spirits rule, and where the deceased exist as a “cloud of witnesses.” This “cloud of witnesses” are Yahovah’s army in the heavenly realm. They encourage and fight for us who are still here on earth. We have often seen them as messengers, the same Hebrew word as for “angels.”¹⁰ But Yahovah also has an army on earth of overcomers whose real home is in the heavenly realm.

When Yahshua begins His 1,000 year reign on the earth, He must first rule with a rod of iron to wrest the reigns of rulership from the earthly kings who’ve been empowered by dark spirit forces. He starts with casting Satan & his agents out of the heavenly realm down to the limited earth realm, (**Revelation 12:9**). In other words, Yahshua starts by backing His adversaries into a corner. That’s when Satan knows that his time is short. And that’s when Satan spouts out a flood of lies from his mouth. Notice however that only those who dwell entirely in the earth realm, (with no real interest in the spiritual realm, in truth), are the ones who swallow the deceiver’s deceptions. That’s when Satan works through his natural earthly agents with fury to wreck chaos, violence, & destruction. Yahshua continues the fight using both of His armies.¹¹

But then we see in **Revelation 19:19** that Yahshua has but one army, through which He decimates the enemy with a great slaughter, (smashing like a rod of iron). But why is there just one army now? Well, the two armies have now merged as one. This is seen in **Revelation 21:1-3**, where Yahshua’s sonship company of sons (depicted also as His Bride), comes down from the heavenly realm to manifest upon earth. The battle is on the earth and for the earth, over who will inherit the land. The earthly rulers along with their corrupt governments, systems, & organizations, are all destroyed on the earth.

10. Indeed, the “angel” who appeared to John said that he was just like John (Revelation 19:10), of his brothers of the sonship company of overcomers, in that he too had the testimony of Yahshua. “Testimony,” we remember speaks of “witness,” which is being in the life, character, & nature of Yahshua.

11. This type of conflict is a scriptural pattern seen in “I give you the Promised Land (yes, filled with giants), go take it,” and in David, who was trained to rule by trusting Yah through his battles with the ungodly enemies.

How the Battle is Playing Out Today

So, how does all of this affect us today? Well, if we assume that 2017 began the 1,000 year reign of the Kingdom of the Son(s), and we are at the time of this writing 4-years into that, how are we to interpret what's been going on? ¹²

But first, we must set aside all of the traditional religious teachings that were repeatedly told to us. ¹³ They taught us that we would not have to experience the pains of child birth at the transition of the ages. Their teachings of course lacked spiritual insight, and were focused on interpreting scripture from a literal natural-mind perspective. ¹⁴

2017 started off with a startling “birth pangs event” that caused the corrupt of the world to reel in shock. Donald J. Trump unexpectedly won the Presidential election, in spite of all the voter fraud to prevent it. The enemy had not counted on the sleeping non-voting masses to vote. These people awoke enough to not listen to the common main stream news media or to most of the religious church-system leaders. Here was a Presidential candidate that could not be bought. So resistance to his reign began in full fury from the deceitful news media, the Democrats, and many world leaders. In spite of this onslaught, he could not be dissuaded from doing what he felt was the right thing to do. He stood up unapologetically for God, family, & national sovereignty of the USA, one of only two nations (that I'm aware of), that were established by/with a covenant with God, Yahovah. The other nation is Israel, which he fully supported by taking action. Our embassy was the first to shift to Jerusalem. President Donald Trump also took a bold stand for pro-life, the poor & the neglected. The USA began to prosper once again.

12. I'll soon get into a few examples, naming some names plus events. Readers don't have to agree with the specifics, but will hopefully note the patterns. Many readers will also be aware of many other examples as well.

13. We realize in the big picture, that if a religious group has a tax-deduction for donations, then they have signed a contract (covenant), with the Federal government that they've taken this benefit to grow their group at the cost of submitting to the government's limitation of preaching truth. The government then becomes their head, not Yahshua. At first the limitation seemed to be just politics, which is inseparable from scriptural issues. And so the “church systems” for the most part stayed silent while the government removed prayer from schools, passed Roe vs. Wade to expand abortion, and forbid anyone speaking out against homosexuality, pagan religions, and a host of other things. These religious groups tend to be a “one-man show,” rather than the ekklesia that believers were meant to be. These religious businesses divert their congregations' focus, energy, money, & time solely into that group and their programs...and away from politics, even to not vote. Their pattern is to teach/preach fear to those who stray from their authority, and “quick, easy escapism” to the submissive. Truth that comes from other sources than their group is frowned upon. It is a threat to their business.

14. For example, they focus on rebuilding a physical Temple, fire burning up the entire natural earth, a literal eternal hellfire somewhere, New Jerusalem as a physical city coming from outer space, Babylon (the harlot), as a physical nation, (such as the USA), rather than a corrupt global system, within all nations, etc.

More Change!

Many of us have connected the two dots of the USA & Israel. We have noticed that the focus of the United Nations has been to destroy these two nations, (the two countries founded in covenant with our God, Yahovah). That's because they are the only two nations standing in the way of total global dominion by the forces of darkness under Satan. They almost had the USA out of the way, when God pulled a fast one on them and put Donald Trump in as President. It brings this passage to mind:

1. *Why do the nations rage, and the people plot a vain thing?*
2. *The kings of the earth set themselves, and the rulers take counsel together,
Against the LORD [Yahovah] and against His Anointed [Yahshua] ¹⁵*
3. *“Let us break Their bonds in pieces
And cast away Their cords from us.”*
4. *He who sits in the heavens shall laugh:
The LORD [Yahovah] shall hold them in derision,
And distress them in His deep displeasure:*
6. *”Yet I have set My King On My holy hill of Zion.”*
7. *“I will declare the decree:...’You are My Son, Today I have begotten You.*
8. *Ask of Me, and I will give You the nations for Your inheritance,
And the ends of the earth for Your possession.*
9. *You shall break them with a rod of iron:
You shall dash them to pieces like a potter’s vessel.”*

Psalm 2:1-9 The New King James Version

The next 3-verses conclude the Psalm with a promise to those who repent, and a warning to those who do not. Isn't it interesting that President Donald Trump ruled with a rod of iron against his adversaries? At the same time a spiritual & greater general awakening began as hope (for deliverance from the captivity of the oppressive world system), filled people all across the planet. Many others were encouraged to rise up and take a stand as well. Why? Because 2017 began the birth pangs of transition as a new reign began!

15. [Bracketed] comments and underlines are inserted by me to add clarity. Also, note here that this is a plotting not only against Yahovah & Yahshua (the firstborn Son in the character & nature of the Father), but also all of the Sonship-company on earth raised up by Him. We know this from the context of several other places in this short Psalm. For example, in verse 3, “Their” is used because Yahshua’s standards are only enforced on the earth through His people. Then in verse 6, when the Son is set as King to rule on Zion, the symbolic place of the 144,000 overcomers, (Revelation 14:1-5) and the place (the people in whom), God dwells (Joel 3:16-17). In other words, v. 6 is saying “I give you authority as King of the Kings to all rule together in the authority of my throne. This 144,000 may very well be symbolic too, since it is a number of governmental perfection. Note also in this passage that the 144,000 have the voice of many waters and like the voice of thunder, the voice of a multitude, Their voice is likewise described in Revelation 19:6 & Daniel saw this coming in his 10:6. Their voice is further identification marks of the overcomers, the sonship company.

Change Agents

The spiritual arrival that triggered in 2017 showed an explosion of repentance, prayer, prophecy, conversions and truth in general. An exodus began from church systems to home & Internet meetings, while another exodus began from public schools to home & private schools. Still others are abandoning “Big Pharma” & conventional medicine to shift instead toward alternative natural, wholistic diet & lifestyle & therapies. These separations did not happen without an awakening, which did not happen without a shaking. New light revealed things long hidden, (including corruption, such as: bribery, perversion, double-dealing, falsehoods, voter fraud and wickedness in all its horrid forms). The old is removed first by shaking (that come as warnings, like the 10 plagues), then by smashing. And again, there was a Biblical-like Cyrus-champion (President Donald Trump), miraculously raised up to help set the standard and pave the new way. In fact, he was often referred to by both friends & enemies as “the wrecking ball,” (smashing the old order ways). A great movement began in 2017 as people took sides. The middle ground was finally disappearing, catapulting people to take action.

God raising up Donald Trump to rule as a global leader reminds us of God raising up David to establish a godly Kingdom. Once he took a bold stand against the enemy, there was soon a group of incredible fighters who came to his side. The most famous & seen were known as “the 30-mighty men,” and eventually a vast united army, invincible under his leadership emerged.

Other “shakers & doers” include Wendy Rogers, Kristi Noem, Marjorie Taylor Greene, Mike Lindell, Sydney Powell, Devin Nunes, Jim Jordan, Lauren Boebert, Ron DeSantis, Dan Scavino, Kash Patel, Ezra Cohen-Watnick, Michael Flynn, Candace Owens, Charlie Kirk, Abby Johnson, Lin Wood, Steve Bannon, Doug Billings, Scott McKay, Mike Smith, Liz Crokin, Kayleigh McEnany, Mike Pompeo, Melissa Redpill, plus a vast host of others, spreading truth through action, words, and media of all types: books, videos, movies, documentaries, podcasts, websites, ¹⁶ telegram posts, tweets, Internet sites, etc. Leaders of truth and whistleblowers are emerging in political, religious & all areas of culture.

New news media of truth began to spring up to grow phenomenally. These include One America News, Right Side Broadcasting and The Epoch Times newspaper. Meanwhile, we’ve all sadly watched Fox News get compromised to soon fall back to join the disfavor of the plummeting viewership of the more dishonest mainstream new media. Newsmax TV and their magazine have often been beacons of truth, but are sometimes questionable. In the end there will just be wheat or tares. They will go one way or the other. The Light will continue to grow brighter as the darkness continues to get darker. Lukewarm marriages will either get great or dissolve. Every area of our lives is affected by the birth pangs which force us to question, search for truth, take a stand, and change one way or the other, while encouraging those waking up to keep moving into more light.

The Best is Yet to Come!

Truth is flooding the earth right now at an accelerating rate. It is the end-time that was prophesied of thousands of years ago. That means the time of the end for the destructive rule of Satan over Creation through fallen man. It means the end of power for his earthly agents. We are reminded of these two verses:

“9...’Go, Daniel, for the words are hidden and sealed till the time of the end.”

Daniel 12:9 ¹⁷ *The Scriptures Translation*

*“...For whatever is covered shall be revealed,
and whatever is hidden shall be made known.”*

Matthew 10:26 ¹⁸ *The Scriptures Translation*

The end of one thing means the beginning of another. The time of the end of the rulership of darkness over the earth also means the time of the beginning of a new rulership. This new rulership is the unusual new-born son of the woman. He is unique in that the devil cannot touch him. He is the firstfruit company of sons under the authority of the Lamb, the firstborn Son, who sits on the throne.

As we experience the pain of this transition, we see corrupt rulership being exposed for who they really are and their methods of maintaining control, such as voter fraud. This is to draw them out to a Red Sea moment. Their final end will happen when it seems like they are closing in on us. Yah will definitely get all of the glory for what is about to happen.

Meanwhile, good things that have been hidden are also being revealed, such as health cures, inventions, new technology, new farming methods, and so on. But the most important thing being revealed is our Messiah. Not just in a people, but also in the Word. New & better translations are out, and even more accurate ones to come. I’d love to say more about the book of Revelation, but I’m waiting until the translation team of Miles Jones puts out the book of Revelation, translated from newly revealed Hebrew manuscripts that are sourced to the first century. This translation is anticipated to be out before the end of 2021. Eventually all of the 2nd-Writings (commonly referred to as the New Testament), will be released as translated from Hebrew, from which they were translated into Greek & Latin. Already they have the Epistle of James available in print. ¹⁹ We are seeing things in the Spirit & in the Word that were formerly sealed to us. What exciting times!

17. Spoken to Daniel.

18. Spoken by Yahshua to his 12 disciples.

If We're in the 1,000-Year Reign of the Son, Why is Evil so Rampant?

Well, the evil has always been prevalent, but not as apparent as it is now. What we're witnessing is that Satan sees his authority to rule the world is being yanked from him.

- It is the time when people are no more his dumb sheep, no more lulled to sleep by his deceptive lies.
- It is the time that he knows his time is short.
- It is the time that he reacts in a panic by flooding the earth with cleverly disguised lies as never before.
- It is the time when he comes forth through his earthly agents with furious rage and violent destruction.
- It is the time when he unleashes insane persecution against every avenue of truth and all people of truth in a desperate attempt to regain full control.
- It is the time when the wheat & tares have come to full fruit for it is the end of the age of the 6,000 year reign of fallen Adam. The tares can no longer be disguised as to their true allegiance.

These are all signs that the dark is getting darker and therefore the light is also getting brighter! The devil's panic is perhaps the biggest sign that we are winning!

So, in closing, don't lose site of the big picture. Yahovah is doing many things behind the scenes that we are not yet aware of. And His ways are not our ways. He has a much bigger plan in place. Truly, His Kingdom reign did begin in 2017, the birth pangs have been evident since then, and sons in Yahshua's likeness are beginning to appear. Their primary goal is to do the right thing no matter what the cost. This means, for whatever level of truth they are presently in, knowingly or unknowingly, they are really seeking to follow the Lamb as His Spirit leads them. He is raising up His people. His plans are for good and not evil, for a future and a hope. Watch soon for even more accelerated, sudden changes as the wicked fade from rulership, and the righteous grow in authority. The reigns of government on the earth are in the process of shifting into the hands of Yahshua, Head & Body! Truly, the best is yet to come!
