

Breaking News Bulletin 3-31-24!

Part 1: Alert!

There will be a solar eclipse across the USA this April 8th, 2024.

As we'll soon see, this date is *VERY SIGNIFICANT* for the message that it brings!

What is our Creator speaking to us through this upcoming solar eclipse? Let's explore. Its viewing path is seen below along with those of the previous two USA solar eclipses. Hindsight is a great help to see the big picture; so we first review the two previous eclipses.

We begin by seeing that the 3-eclipses form the first ancient-Hebrew letter, ¹ "Aleph;" plus, within it can be seen the last ancient-Hebrew letter, "Tav," in the form of an "X." Together the Aleph-Tav is the mark of Y'hovah. His mark/seal of covenant, is stamped on the USA! There is also a message in each eclipse, with details seen in where they intersect. The Illinois intersection is an area called "Little Egypt." The message signals the last "Great Exodus," this time from the "World Babylonish System." Come out of her! Draw close to Yah. Be found separate in "Goshen!" This includes coming out of worldly church systems of man.

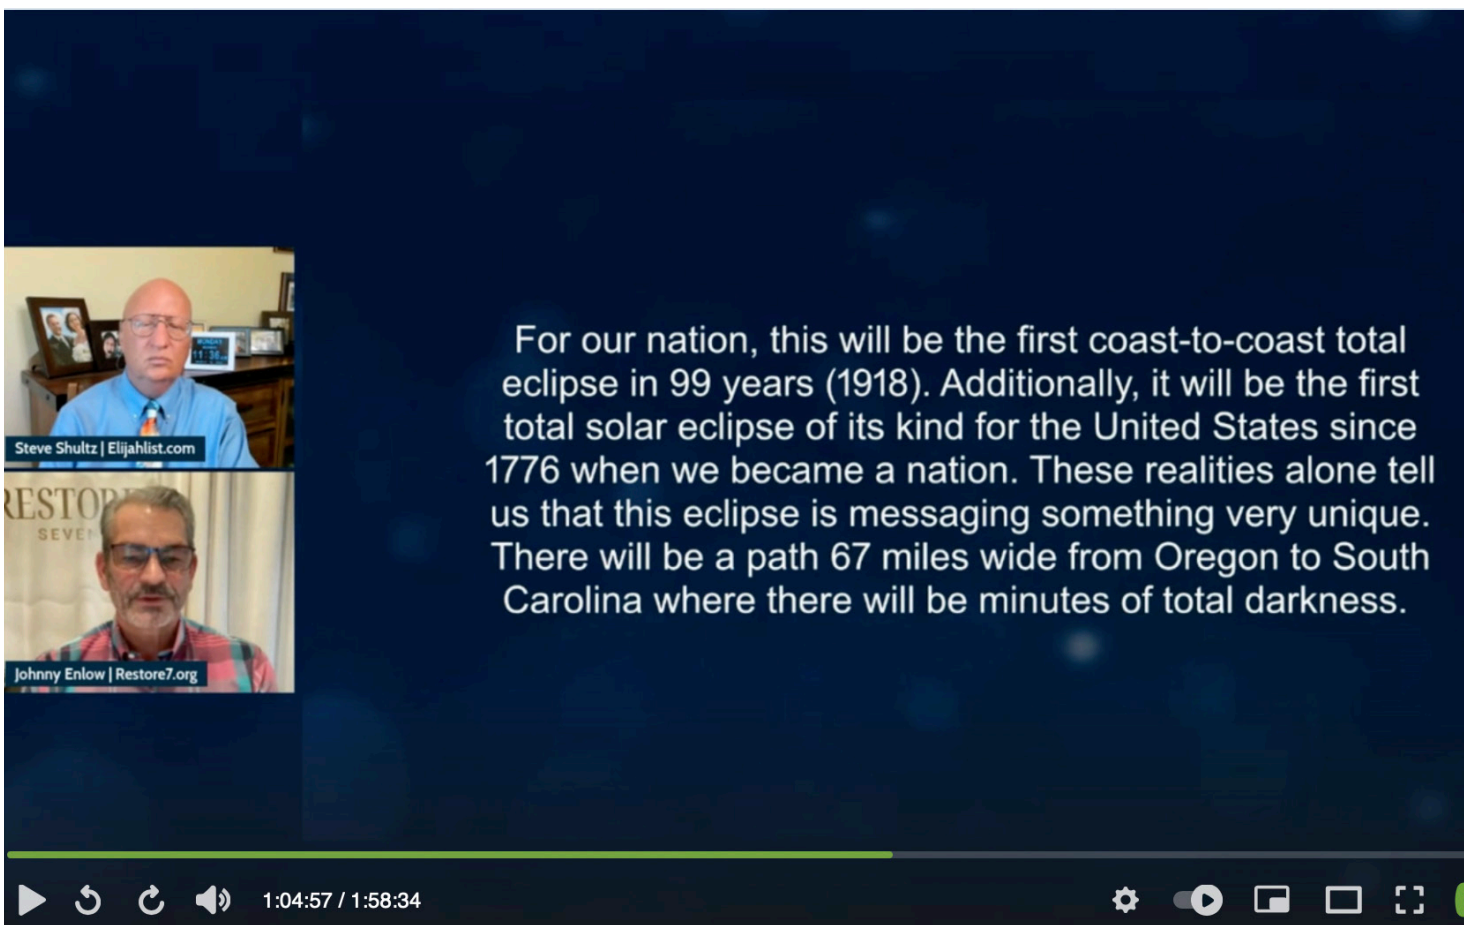

1. It has now been proven by Miles Jones (& later shown by Tim Mahoney), that the ancient Hebrew alphabet at the time of Moses was the original from which all other languages (including Phoenician), stem. Each letter was a pictograph, Aleph being the head of a bull, symbolizing strength & first. The Tav with the 2-rods is the symbol for covenant. After the Babylonian captivity, the Hebrew language emerged as a block-letter for each pictograph. This is the Biblical Hebrew & modern Hebrew with which we are most familiar.

Part 2: The Message of the 8-21-2017 Solar Eclipse

The sun and the moon are for signs. ² We have seen evidence of that throughout the Scriptures. Y'hovah has spoken to people through both solar & lunar eclipses, new moons, full moons, & blood moons, etc. It has always been so and is still happening, as for example, were seen during the times of both the Civil War & Revolutionary War.

The timing of the solar eclipse of 8-21-2017, was about a month before the start of the Millennial Kingdom. ³ It heralded a soon-coming time of peace. ⁴ How so? His Spirit leads us to the clues from the viewing locations as well as from the timing.

Johnny Enlow talked about it in 2017, plus recently. Below is his concise summary. ⁵

For our nation, this will be the first coast-to-coast total eclipse in 99 years (1918). Additionally, it will be the first total solar eclipse of its kind for the United States since 1776 when we became a nation. These realities alone tell us that this eclipse is messaging something very unique. There will be a path 67 miles wide from Oregon to South Carolina where there will be minutes of total darkness.

2. Genesis 1:14. See our Study 8, “Super Blue Blood Moon,” for some amazing signs that the sun & moon also flashed to us at the time of the beginning of the Millennial Kingdom in 2017. Revelation 6:12 is just one of several Scriptural examples of both spiritual & earthly signs represented by the sun & the moon. (The sun and the moon are of course created for other purposes as well.)

3. According to Revelation 12, and more fully explained in Footnote 10.

4. Both a short-term time of peace (followed by a short-term of darkness), and a long-term age of peace, as we’ll soon convey.

5. As a reference, this clip is from “the prophetic report,” on Rumble.com, as clipped from an interview on “elijahstreams.com.” This is only a portion of what Johnny shared in that interview.

We now enter into Reformation 2.0 where it is all about reformation of society—an entirely different genre of reformation. For 500 years, we primarily celebrated our access into Heaven, and now we will enter an era where we will celebrate Heaven breaking into society. We will go from being excessively future heavenly-minded to being champions of "on earth as it is in Heaven," thus embracing Jesus' original "Magna Carta" as stated in Matthew chapters 5 through 7.

We are also in the 50-year celebration of Jerusalem's remarkable reconnection with Israel, as well as the 50-year anniversary of the Jesus Movement. There are so many other convergences as well, but to not overwhelm you with those, I will leave it at that. Just know that we are in a remarkable convergence of convergences and that many Christian leaders are misreading the times as being particularly difficult and "critical," or otherwise panic-worthy—but the truth is that the opposite is true.

Within the path of full-view were at least 7-cities with the name of "Salem." ⁶

So what does that indicate?

Well, we ask ourselves, "What does "Salem" mean?"

We find in the Scriptures that "Salem" means "Peace." ⁷

So this 8-21-17 eclipse spoke of this new transition into a time of peace. It was about the time of the Feasts of Succoth (Booths/Dwellings/Final Ingathering/Tabernacles). Y'hovah's notable change-agent for this was Donald J Trump, a modern-day David, & also like an unexpected Cyrus.

He was well established in his Presidency about the time of this eclipse.

6. We realize that there are many more cities with the name of "Salem" in the USA, but these are the cities in common on this path of totality of the 8-21-2017 solar eclipse.

7. Melchizedek was the King of Salem, the King of Peace, the King of Righteousness. Jerusalem is the "City of Peace." The Heavenly Bride is the New Jerusalem, the "City of Peace/Righteousness" that has been sought by Abraham and all the people of faith...the people in whom dwells the Spirit of the Living God.

Part 3: The Message of the October 14, 2023 Solar Eclipse

This clues us in of what is to come, and is a vital part in forming the Aleph-Tav paths of viewing totality of the 3-eclipses. In other words, “time is up for the corrupt,” (in all realms: political, religious, education, entertainment, Big Pharma, financial, agricultural, media, military, technology, etc.). This becomes evident in the next Part.

Here’s a closer-view map of the path of totality for the 10-14-23 solar eclipse relative to the other two USA solar eclipses:

Luke 21:25 predicts that at the end of the age there will be signs in the sun, moon, & stars. Also, the pattern is given in Exodus 4:8 that if the people don’t pay attention to a first sign, then a second sign is given to wake them up before the window closes on the time to repent.

The 10-14-23 eclipse is a partial 2nd sign, prelude to the meat of the 2nd sign on 4-8-24.

Part 4: The Message of the 4-8-24 Solar Eclipse

April 8, 2024 is the date of the third solar eclipse in the USA in seven years.

What day is 4-8-24 on the Biblical (Hebrew), calendar?

It is Aviv 29, the last day of the first month of the Biblical year. ⁸

And Aviv is the month of the “Passover/Unleavened Bread Feasts of Y’hovah” ⁹ The evening at the end of Aviv 29 there is a dark moon, a new moon, the beginning of a new month.

Aviv 29, as the last day of the month, punctuates the month as to its message, which foreshadows what is to follow. And the message of Aviv? It is the month when there was a great shaking bringing a great awakening, bringing a final separation between the people of Egypt (representing the corrupt world system), and the people of Goshen, (representing the people of Y’hovah). The separation was followed by a mighty deliverance of the captives from the captors, the oppressed from the oppressors, the wheat from the tares, once the tares were destroyed. A new Government/Kingdom was formed, based on righteousness. A new beginning for Yah’s nation of His firstborn sons was birthed. The old had passed away. There was no going back.

This 4-8-24 solar eclipse also passes over states with something in common. All 10-cities of the USA that are named Nineveh (spellings vary), are in that path, as is the one city in Canada (Nova Scotia), named “Nineveh.” Additionally, Jonah, TX (near Austin, the capitol), is close to the path of totality. He’s the prophet who delivered the message to Nineveh.

Supposedly there was also a solar eclipse when he gave the message. We find his message in **Jonah 3:4**. It was, **“You have 40-days to repent or be overthrown.”** Then following, we see **Jonah 4** is all about the Millennial Kingdom. The book of Jonah is a prophetic type of today’s message to the USA: Don’t miss out on the Millennial Kingdom...**REPENT!** This is clearly a “last call” to repent for ourselves, families, communities, states, & the USA.

8. The Biblical year that we use is based on the Hebrew calendar, where each month begins with the covered, hidden, concealed moon, summed up as the dark moon. See Lesson 18 for more info on the Dark Moon.

9. As for the Creator’s name as “Y’hovah, we saw from our other writings that our Creator’s name is made up of the four Hebrew consonant letters Yod, Hey, Vav, Hey, transliterated as “YHVH”. We also know that **the Vav was never & is not to this day ever pronounced with a “W” sound.**

The religious tradition of the Vav having the sound of a “W” stems from an Arabic dialect which has no letter in their language that sounds like a “V,” because it is difficult for them to voice that sound, (nehemiaswall.org). Next, we note in Hebrew that vowel sounds between consonants are noted not by letters, but rather by “vowel pointings” Vowel pointings between the four Hebrew consonant letters give us “Y’hovah.” The first vowel is rushed and nearly silent, but slightly like a short “e” or more abstractly like an “a.” So “Yehovah” is a valid transliteration, and “Yahovah” would be another, though justified not by a short “a” sound for transliteration, but because Y’hovah’s poetic nickname is “Yah,” used about 50 times in scriptures. (Yah is only translated once in KJV, Psalm 68:4.) As for the Messiah’s name, it is “Yahshua,” which means, “Yah saves.” We note that “Yehshua” and “Y’shua” are also valid transliterations for the Messiah. Y’hovah wants us to use & declare His Name...not to treat it in vain as religious tradition does by consistently calling Him “Hashem,” “Adonai,” “Lord,” “Lord God,” etc.

Moving along, we discover that *40-days from April 8, 2024 lands on the Feast of Shavuot (Pentecost)*. This was the day when the written Word was given to Moses and much later when the former rain of the first great outpouring of the Holy (Set-Apart), Spirit occurred. The Word & the Spirit are the two witnesses on the earth, to be seen written on the hearts & in the minds of a people globally during the latter rain.

Significantly, 2024 is the 7th Biblical year since the Millennial Kingdom began in 2017. ¹⁰

We personally expect the shakings in 2024 to increase in both frequency & severity. However we also see that the USA will repent enough to make a difference. Why?

- because Jonah's message brought repentance averting disaster, as he suspected it would, (plus the foreshadowing of **Matthew 12:39 & 16:4**),
- and because we see this coming Shavuot as the time of the greater latter rain; Shavuot (Pentecost), representing a time of hearing the Word & a time of the former rain of His Spirit upon mankind. The latter rain is foreshadowed by the 7-times Elijah prayed for rain. Once the rain started, it grew & grew until it became torrential. Arthur Burt prophesied the coming of the latter rain in his book, "And there shall be No Ebb!" that it would begin at the end-time of harvest, the clouds of which would be seen gathering before he died at 102 on 8-28-2014. And the outpouring would be enduring, like the stone mountain in **Daniel 2** that grew until it covered the whole earth, & as seen in **Habakkuk 2:14...**
- & because this Shavuot nears the completion of the first 7-years of the Millennial Kingdom, (fully completed at the time of the Fall Feasts, the Final Ingathering), about the time of the Presidential elections.

These 40-days till Shavuot will essentially be the last chance for the wicked to repent. It will not end so well for them.

10. That 2017 marked the beginning of the Millennial Kingdom has been extensively explained in many of our writings, and by other Bible-teachers, as well as by "prophets." The basic scriptural evidence is the fulfillment of the sign given of a woman in the heavens giving birth to a son, (Revelation 12). This was seen in the natural as the constellation Virgo "giving birth," to a son, as viewed by the brightest "star" passing from her womb. This event only happens once every 7,000 years, with 2017 being the first time since man has been on the earth. The birth was completed by the time of the Fall Feasts. This son represents a many-membered-son of overcomers, led by an outstanding leader, both in the natural and in the Spirit as the Messiah in a people. These people would not be recognized by the religious system, or by those with preconceived ideas of what this "son" should look like. Just as they missed the Messiah's first coming at both ends of his mortal life, so are they missing His Life in people, seen even before the full maturity of the sons at the first resurrection. The beginning of 2017 saw the beginning of the first term of Donald J. Trump's Presidency, the prominent natural leader. We note from Revelation 12 that this time of peace was followed by the dragon's all-out-assault against the son, but that the son would have heavenly protection and could not be eliminated. Satan & his hordes cannot stop what is unfolding. Now that the Millennial Kingdom has arrived, Truth is rising up, spreading everywhere, no longer dead in the streets.

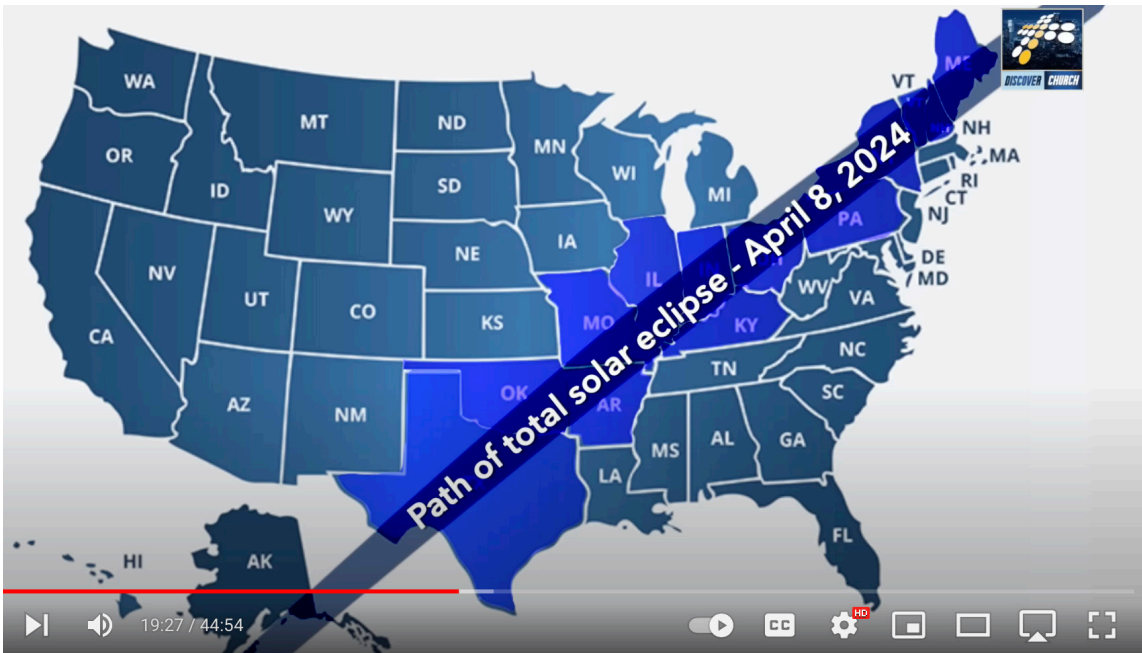

Part 5: Questions About the Millennial Kingdom?

But if the Millennial Kingdom began in 2017, then why have the last three and a half years been a time of war, famines, & disease? Well, first it is not as we were taught in the religious system. Secondly, Satan has been fighting to maintain his 6,000 year rule over the world of fallen mankind. He is not leaving without a fight. He is desperate. He knows his time is up. During the first three and a half years, his usual ploys did not work. He could not smother truth, or bring mixture, or compromise to the growing army that was determined to do the right thing in spite of bribes, blackmails or death threats.

So then he came forth with a flood of escalating lies & an increase in violence. But, like Haman, he overplayed his hand, causing Y'hovah's plan to accelerate. These great shakings of the first 7-years of the Millennial Kingdom have brought a speeding-up of an awakening, followed by polarization, followed by conflict. This is the time of full maturity of both tares & wheat, each being clearly identified & exposed by their fruit,¹¹ the prelude just before their separation. The devil can no longer hide his agents or his plans.

The tares are being removed, and the wheat is networking together. The lukewarmness is being spit out of Y'hovah's mouth so that all are either hot or cold for Him. The harvest is beginning. It is the end-times, the time of the harvest of the ages. The old must be removed before the new can be ushered in. Once the tares are pulled out and destroyed then the peace will resume, but in greater measure. The rest of 2024 will be a tough roller-coaster ride, but hold on, for the best is soon to come! The ripping out of tares could be a frightening time if we are not anchored in our walk with our Savior in Goshen.

Here is a rough close-up path of the 4-8-24 solar eclipse. This map shows the states it crosses, but is not otherwise precise, for here in Northern Maine our home is dead-center in the path of totality. We've ordered our solar eclipse sunglasses!

Part 6: Conclusion

There is of course much more to this word. For example, the 4-8-24 eclipse is first viewed in the USA in Texas, at “Eagle Pass,” where there has been the greatest influx of illegal immigrants. It also has a very significant spiritual meaning from an event that happened there at the Civil War. For more info on Eagle’s Pass, one can go to arkofgrace.com to listen to Amanda Grace or you-tube.com to see Steve Cioccolanti and/or Troy Brewer and/or thepropheticreport.com, “Eclipse, Nineveh, Pentecost,” & “X Marks the Spot,” or others. We let His Spirit within us light the path & guide us.

This is a time of convergence of light, ¹² the time when His Spirit is networking His people to learn from each other, to be truth-seekers & to be truth-speakers...change-agents on the earth. So it is that we’ve gleaned this message from many others, and consolidated it for you.

We keep in mind that many people are still asleep, missing the message these eclipses bring, as Yah’s messages are to be sought out. It is given to kings to search out a matter. ¹³ Not much is found without seeking, ¹⁴ but who are these “truth-seeking-kings?” They are the ones who are filled with His Spirit, walk in His Spirit, and follow the Lamb wherever He takes them on their individual spiritual journeys. They are also the “truth-seeking-priests,” and so, as priests it is given to them to share/teach what they have discovered. ¹⁵ Yet we have never seen such an awareness that this coming eclipse is so unusual. We see it in local papers, business signs, public bulletin boards, magazines, and all over the Internet. Though the message is positive, most religious people will see this as gloom & doom. But it’s only that for the wicked, as for us, we look up & rejoice, for our redemption is near!

13. Proverbs 25:2

14. Matthew 7:7

15. Revelation 1:6 & 5:10. Additionally, those servants with a prophetic gift can also see what is about to happen. This revealing by His Spirit is present (but often dormant), in all who have His Spirit within them. As Y’hovah connects His people outside the confines of any religious group (as each religious group typically stays entrenched in their limited understanding), and as His people share truths with one another, the truths sharpen, becoming revealed in greater clarity.
