

God's Kingdom
is the Kingdom of His Son,
is the Millennial Kingdom,
is God's Government (Him in us)

...which is based on who God is...
...His standard
...His character & nature
...in a people on the earth (Hebrews 8:10)

*So what is it about God that defines His Government
that is now being established on earth?*

(We see this in *Isaiah 33:22*)
"For Y'hovah [our God] is our:

Judge & **Lawgiver** & **King**

(The Priests were the
Judges & the Lawgivers)

High Priest & **King of Kings**

(Manifested through His Son,
Yahshua, our Messiah, (*Revelation 5:10*))

Priests & Kings

(Those under Messiah to rule & reign on earth!)

So now we see the Biblical basis for our
Constitution of 3-branches of "We the People."

Judicial & **Legislative** & **Executive**

(Judge)

(Lawgiver)

(King)

Yes, "We the People" are to be involved
in righteous ruling in these 3-branches!

Tactical Civics

Grand Juries & **Militia**

(Priest role as
Judge and in
setting the Law
standard)

(King role
as Enforcer
of Grand
Juries)
