### Politics & Prophecy

One doesn't need to have a spiritual dream/vision to receive a prophetic word. We just need God's Spirit within us, the Spirit of Prophecy (Revelation 19:10). Daily we can note prophetic signs. Here are some from Mark Taylor, and a few from us.

"America & The Evil Crew of 32" is Taylor's 1-20-18 prophetic word of the 5-Presidents living at that time whose total reign was 32-years. The first death would be a sign that the New World Order would die. Bush senior died later that year in November, (significantly 2-years after Trump was elected). And then "When the second one is taken, it will be a sign that anyone calling himself Mine, but who comes against My Israel, sympathizing with her enemies, will not be tolerated." Judgment would begin.

From current news we see Jimmy Carter was the second to die. In Taylor's interview by Michelle Moore, he said that Carter's death was the sign that Judgment has now begun, along with an accelerated awakening.

Then we picked up another prophetic sign. The flag is flown half-mast for 30-days to honor Carter. Trump's inauguration is in the midst of this, yet the day of his inauguration it is to be flown at full-mast to honor our new President. The day of his inauguration is 7-years to the day from when the prophecy was given. These two flag events speak of the death of the old Establishment/Deep State/Swamp/Satanic World-Order-System of the Kingdom of Darkness, (as prophesied in Daniel Chapter 2); with a new world order system of the Kingdom of Light emerging to replace it.

Then we noted that January 6, 2020 the innocent were locked up, but January 6, 2025 signals the setting free of the righteous. How so? On January 6 the new President was certified by Congress. He will issue a Presidential pardon. Do you see how this too confirms the changing of the guard? Conflict will be more significant, but the tide has turned.

To further confirm, we saw that the end of 2017 can be pin-pointed as the beginning of the establishing of the Messiah's Government through His people. That puts the end of 2024 (when Trump was elected), as the end of the 7-year transition struggle to take the reigns from Satan.

It is also now increasingly the time when only the change-agents of Light qualify to rule. Only those who walk in Word & Spirit have the authority & wisdom & character to handle the job under pressure. This was seen in the House reelecting Mike Johnson

(a strong & devoted believer), as Majority Speaker.

Yet another prophetic pattern; Mike Huckabee (a strong believer in the Word & Messiah), is nominated as Ambassador to Israel, (instead of a Jewish American). Surprisingly, Israel is thrilled with this choice! This is a sign of Ezekiel's 37:19-28 prophecy of the stick of Judah (Jews/Israel/Keepers of the Torah (Word)) joining with Joseph, (representing the 10 "Lost" Tribes who became the multitude of "Christian" nations/USA/Keepers of the Messiah/Spirit). This joining forms a new stick, neither Jew nor Christian, but "Messianic," keeping both Torah & Messiah, Word & Spirit.

For a concluding sign, on New Year's Eve 2024, lightning struck the Empire State Building, the Capitol Building, the Washington Monument (an obelisk), and the One World Trade Center. This speaks that God will strike down the corrupt world system, (which, by the way, includes church systems). Get ready to see military tribunals that Taylor prophesied about years ago.
