### Politics & Prophecy, Part Two

Prophetic signs surround us daily. It is the end of the age, the harvest time is here, (**Matthew 13:30, 38,39 & Revelation 14:15**). All hidden things are being exposed, (**Daniel 12:8,9 & Matthew 10:26**). The new “Golden Age” of God is here. The devil is in the final throes of his desperate attempt to hold onto his 6,000 year control of the whole world. Now let’s dive into some of these prophetic signs!

1. Snow blankets the country. This speaks of “expect the unexpected,” “a covering,” “a cleansing,” and certainly “a new beginning.”

2. Flood of illegal immigrants at the Southern Border. But it is not a caravan to enter USA, but from trying to leave! (...fleeing justice, as Mark Taylor noted long ago). This speaks that justice has begun.

3. Prisoners are being released. J-6ers, Pro-Life advocates, Hamas hostages, and other political prisoners are set free. These examples display that we are in the time when the cords to unjust captivity are being cut. The hunters have become the hunted.

4. Mainstream news media is collapsing. This is due to their fake news, (as Taylor had prophesied). CNN just laid off hundreds more workers, while NBC has just made big cuts too. MSNBC wants to be sold, but no one wants it. Meanwhile alternate news media of truth are networking and surging. This speaks of truth flooding the arena. The dark side no longer controls the narrative. Truth has risen, no longer to be trampled in the streets, and the enemy is in panic. Nothing can stop the avalanche of truth. The lies of Satan wane weaker while the Truth of Yahshua waxes stronger.

5. The IRS has become the ERS (External Revenue Service), to gain income from foreign nations wanting to do business in the USA, rather than from our citizens. This speaks of a transfer of wealth from the kingdom of darkness to the kingdom of light plus wealth from unexpected sources. Remember the Exodus? They left the corrupt world system loaded down with the wealth of Egypt.

6. The border is finally secured. This speaks of clear boundaries being laid as to what is acceptable & what is not, God’s standard becoming known to all, with accountability for transgressing. Nations are now being identified as tare or wheat nations.

7. North Carolina disaster. Help came not from government but from people of light: local believers, Graham’s Samaritan Purse, the Amish, and volunteer helicopter pilots. This speaks of a rising up of the believers to start taking action, to be true change-

agents wherever they are, and a looking to God rather than to government for our help.

8. Revival & victories against terrorists in Israel, while the people of Iran are revolting against their corrupt government leaders. During the days of awe, 50,000 gathered at the Western Wall to repent, then 100,000, then 150,000. This speaks of Light ruling over the darkness, of the collapse of Satan's control over the world as a global Great Awakening rises. Babylon (the world system) is being destroyed.

9. Full release of the classified assassination files of JFK, Robert Kennedy, & Martin Luther King Jr. This speaks that now is the time of hidden things being revealed.

There are many more prophetic signs. For those who are walking in His Word & Spirit, there will be eyes to see, ears to hear, and a heart to understand. And be sure to be part of the Great Awakening by sharing the truth that you perceive!
