THY KINGDOM COME-

THE BUILDING BEGINS- The Kingdom of God cannot appear in the world, until it is fully built and established in the spirit of the sons of God. When Jesus began His ministry on the earth, His teachings were all about the Kingdom of God. *"Now after that John was put in prison, Jesus came into Galilee, preaching the gospel of the kingdom of God."* (Mk.1:14) Most Christians do not know that God has a purpose, and that His purpose is to build His kingdom on earth, as it is in heaven. God's purpose is for His creation to live in peace and unity and to prosper in the things for which it was created. After His resurrection, Jesus began to build His church, which is His body in earth. We read, "(I Paul), *Who now rejoices in my sufferings for you, and fills up that which is behind of the afflictions of Christ in my flesh for his body's sake, which is the church...*" (Col.1:24) The body and the church are the same. When Jesus said that He would build His church, He was speaking of His body in the earth. He began the work by sending His Holy Spirit into His disciples, and by the Holy Spirit, He began to call out more and more disciples, and to form Christ into each one of them. *"My little children, of whom I travail in birth again, until Christ be formed in you."* (Gal.4:19) Paul travailed first for himself, and again he travailed until Christ be formed in the disciples.

To start up the work of building His church, Jesus chose Saul of Tarsus, changed his name, (his nature) to Paul (small, humble), and sent him with a mighty anointing, to be the apostle to the Gentiles. While Paul was recruiting and grouping the saints, God's Spirit was working within them, transforming them into new beings. While Jesus's message was about bringing the people into the kingdom; Paul's teaching was about calling and forming the sons who would be part of the ruling and reigning in Christ. Paul's teachings were hard for the disciples to understand, because they were about the work of transformation which God's Spirit works in the inner man. Paul had to train the new church to hear by the Spirit and to yield themselves to being changed from within.

Indeed, those who are called and who persevere into mature sons, are predestined to rule and reign with Christ in the earth. They are the royal priesthood, kings and priests who are the government of God's Kingdom. *"But you are a chosen generation, a royal priesthood, an holy nation, a peculiar people..."* (I Pet.2:9) *And again, "And hath made us kings and priests unto God and his Father; to him be glory and dominion forever and ever. Amen."* (Rev.1:6) Building the body of Christ, is the foundation of God's Kingdom on earth. This inner work in the saints has been an "underground" work of the Spirit of God known to each of His disciples. When the sons are ready to be manifested, God's Kingdom will appear in the earth.

THE SONS INHERIT THE KINGDOM- *"Then shall the king say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."* (Matt.25:34) All things that are coming into the visible realm, were already done in the Logos, (thoughts, word), of God. The Kingdom of God has been prepared for Jesus the Head, and His complete body of sons. The sons do not take the kingdom by violence as some believe; they inherit the Kingdom because they are mature sons. This is what Jesus was trying to explain to Nicodemus, who did not want to be seen talking to this controversial Jesus, and came to Him furtively under the cover of night. Jesus called Nicodemus a "master in Israel," yet, this master teacher had a problem trying to understand what Jesus was saying about the Kingdom of God.

"Verily, verily I say unto you, except a man be born again, he cannot see the kingdom of God." (Jn.3:3). How can a man return to his mother's womb, asked this teacher whose mind was not open to the Spirit. Indeed, one can only imagine, but one cannot truly see God's Kingdom, until one is born again-- until Christ is formed in us. Paul told the church, "My little children of whom I travail in birth again until Christ be formed in you." (Gal.4:19) When we go through repentance and begin our walk in the Spirit, our spirit is quickened, made alive as a little child, then we begin to grow as our new spirit is fused with God's Holy Spirit, and we are one spirit with the Lord. When "...the same Spirit that raised Christ from the dead fully dwells in us..." we become, "heirs of God and joint-heirs with Christ," and we inherit the Kingdom. Then we will start to soar as the eagle, free to fly in the high places of the Spirit, and to follow the Lamb until it is no longer "I that liveth, but Christ that liveth in us."

THEN AND NOW- The chaos and confusion that the world is experiencing today, are the preparations for God's Kingdom to appear. Some call it God's judgment, and perhaps it is, but remember that God's judgments are not for punishment; they are for correction. God's correction destroys the deceptive evil and the lies, and replaces them with peace and truth. In the days of Jesus on earth, the people, and His own disciples as well, were looking for Him to topple Herod and take over that kingdom. But Jesus had nothing to do with that, on the contrary; He submitted to it. *"...Render unto Caesar the things which are Caesar's, and unto God, the things that are God's."* (Matt.22:21) Jesus is fully dedicated to His Father's kingdom. It was when God poured out His Holy Spirit into the spirits of the disciples, that the Kingdom of God began to come on earth. It was then that these men who once moved in obedience to the law of Moses, now were followers of the law of the Spirit of God in Christ Jesus. When God's Kingdom is fully come in His called out ones, the Son of God will appear in the sons. *"And the seventh angel sounded, and there were great voices in heaven saying, The kingdoms of this world, are become the kingdom of our God and of his Christ; and he shall reign for ever and ever."* (Rev.11:15) In the meantime, the world is being prepared for this transition.

THE DREAM- *"My daughter and I were in the house and I could hear the loud noise of heavy, earth-moving machines working constantly outside. I called Anita and together, holding hands, we stepped out on the patio to see what was going on. The entire neighborhood had been razed down to the ground, and the ground had been tilled over and over. All the trees, the houses, the plants, everything were totally gone. Only our house was standing. Soon, a cameo appearance came up and I could see that all was restored but not as it had been. I knew that this was to be somewhat as the garden of Eden, only better, and that it would replace all the old neighborhood."* Spiritually speaking, these earth-moving machines represent the work of the Spirit in the hearts and souls of earthly man, to do away with all of the old and bring forth the new. My house simply represents God's Word, and it was the only thing that remained. At the appointed time, that which is formed in the hearts of man, appears in the world. *"Heaven and earth shall pass away, but my word shall not pass away."* (Matt.24:35)

When I first had this dream, I understood that "old things would pass away, and all things would become new." But today, this Word takes on a clearer meaning as its prophecy is becoming reality. We can truly see that all that we heard by prophecy is now in progress of being accomplished. Such is the Day of transition that we are living in. Just as the spirit of Elijah was guiding John the Baptist in the days of Jesus on earth, so the spirit of Jeremiah is being heard by the sons today. As we witness the events in our world today, we see that the governments of this world are losing their power, and their ability to govern their people. Populations are being uprooted; by droves they are seeking a place to live in peace and prosper. All doors are closing, and one can only hope for something new to happen.

FAITH, HOPE AND CHARITY- Because God is love, and His mercy endures forever, He has not left His creation hopeless. *"And now abideth faith, hope and charity, these three; but the greatest of these is charity,"* (I

Cor.13:13) Hope is God's gift to humanity, It is the force moving humanity throughout the world today. Faith also abides. It may not be faith in Jesus Christ as we know; but it is faith in something good. Even while in darkness, man has faith in a Savior, man looks for better times and happier days. Hope and faith are God's gifts to all men. Charity, which is love in action abides too. We see the goodness of charity in times of tragedy. It is during times of tragedies and devastation such as wild fires, floods, tornadoes and more, that humanity rallies to give hope and courage to one another. This is God's abiding charity.

THE WORK OF GOD- Many of God's people today, are as the followers of Jesus were then; they are eager to do something for God. One day, the disciples of Jesus came to Him and asked, *"What shall we do, that we may work the works of God? Jesus answered and said to them, This is the work of God, that you believe in Him whom He sent."* (Jn.6: 28-29) Jesus said, "The work of God is to believe on Him," but how can one believe if one does not hear? Up until now, the Word of the evangelists have done great work, preaching and teaching God's Word to the masses. But this work is now on the decline, and much of it has been polluted and downgraded to money-making devices. However, a new day is dawning, and a new Word is arising. While walking this earth, Jesus declared, *"I am the Way, the Truth and the Life."* He said, *"The words that I speak unto you, they are spirit, and they are life."* John who had touched Him, walked with Him, loved Him, wrote, *"That which was from the beginning, which we have heard, which we have seen with our own eyes, which we have looked upon and our hands have handled, of the Word of life."* (I Jn:1:1) Jesus did not only speak the Word, He was the embodiment, the incarnation of the Word of life, just as the sons are to be "the incarnation of the Word of life. The new day arising is indeed the Sun or Son of righteousness, with healing in His wings. It is the day of the unveiling of the sons; it is a day of healing and deliverance for the groaning creation.

Jesus demonstrated the power of His Word for all to see. He healed the lepers, raised the dead, calmed the seas and did many wonderful works by the Word. Today, the Word spoken by the sons is doing mighty works as well, but we fail to recognize them, for they are not what we expect to see. The Word of this day is as the Word of Jeremiah the prophet, who was called of God at a very young age, and sent to a stiff-neck people. *"See, I have set you this day over the nations and over the kingdoms, to root out and to pull down, and to destroy and to throw down, to build and to plant."* (Jer.1:10) This same Word is the commission given to the sons who are still on the earth, and the power of that Word is evident when seen by the Spirit. Be assured dear readers, it is God's Word that is producing the changes that are being felt in the earth today. This Word is not being spoken in the pulpits of any of the churches, it is coming through the sound of the last trump, (clear voices), of the Spirit, through chosen vessels in strategic places. It comes through the mouths of babes, and in conversations between humble saints all around the globe. It is hidden in plain view, through some who are rejected of men. By His spoken Word, God is rooting out and pulling down all the old systems of this world, making way for His Kingdom. God does everything through His Word.

THE POWER OF THE AIR- The apostle Paul writes, *"Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air; the spirit that now worketh in the children of disobedience."* (Eph.2:2) The course of the world is set to follow the will of the prince of the power of the air; this power works through the "carnal" mind of man. Let us make no mistake, the ravenous, ferocious and relentless intent of that power, (also known as Satan, the enemy, the devil, and typed as the serpent of old, the great dragon), is set to crush and exterminate God's Word from the face of the earth. He knows that God creates and sustains all things by His Word, and he is determined to wipe out anyone who utters it. To do this, he moves through men or women in high places. He thought he had succeeded when he beheaded John the Baptist, the last of the prophets of old. He was jubilant when the religious establishment of the day, had Jesus nailed to the cross. He thought he won when Saul of Tarsus had Stephen stoned to death, or when Paul was beaten and left to die in a dungeon. He thought he won when faithful Christians were cast

into the arenas with wild beasts. And how about the thousands who were and still are restrained from speaking the Word of truth in churches, in schools or at sport events? Nevertheless, he is blinded to what God has purposed for the world, and he has no power to stop it. Through the work of God's Holy Spirit, myriads of His saints will soon arise as the Word made flesh; howbeit, not corruptible flesh. Jesus came as one Man, but in His death, He became the Seed of resurrection life, who is being raised in myriads of saints in His own image. The one loaf has been broken and became many. God's plan is secure; it has been ready from the foundation of the world. *"And Enoch also, the seventh from Adam, prophesied of these, saying, Behold the Lord cometh with ten thousands of his saints."* Jude vs.14. *"Behold the Lord cometh in myriads of his saints."* Literal translation.

THE WORD OF THE LAST TRUMP- The last trump signifies the clear and sharp Word of God, calling out the sons on both sides of the veil, and raising them together as one Man Christ to appear in the world. It is my conviction that before the foundation of the world, God chose this country for His purpose. He sent His chosen ones, courageous men and women, ready to work hard and endure hardship. He prospered this country, and multiplied His Word to the heart of these people. He established rules and laws geared to free and propagate His Word, and to give freedom to raise saints to the maturity of sons. Thousands of evangelists, supported by Christians of this country, have done great work throughout the world, bringing people to Christ, and teaching them the truth. Is God finished with the work of Christ in and from this country? The answer is NO. In spite of great arising oppositions, the greater works have just begun. It is obvious that these are times of great controversy in the world, in this country, and among Christians as well. While God's sons are being equipped for the day of their unveiling, the powers of the air are increasing their work of deceiving the nations. The struggle for survival is moving humanity to its limits, and in this country a new movement has formed. This movement is powerful and is making changes so fast that it is setting the entire world into a spin.

A POWERFUL DREAM- In March of this year, this dream came to a saint in the Body of Christ: *"I was watching Elon Musk scurry around trying to get things done, as he could not seem to be organized. He turned and looked at me and asked if I wanted a job. I said yes and that I would help him get things organized, but told him that before I do he would have to sign a contract as I was not going to let him walk all over me. He agreed and said he would pay me \$80,000."* End of dream. The dreamer knew almost nothing about Elon Musk. At that time the Spirit gave us an acceptable interpretation, but now, due to what is taking place in our government, the dream has become a greater light. In the dream, Elon Musk represents the disorganized chaos that is taking place in high places. The dreamer represents the Word of God that has come to take over. Spiritually speaking, a contract has been signed between God and the mandate given to this country. God is demanding \$80,000, which denotes the coming of the next age, the age of His Kingdom. The number 8 is the number of new beginnings, and the zeros attached means that it is coming in full power. God has taken over, and the result will be the coming of His Kingdom. God has chosen Donald Trump to be in this place of power, not because of his worldly position, knowledge or personality, but because He has been tested through the fire, and has been found to be a tenacious, adamant and determined man, who will hold to his convictions at any cost. Above all, God has set this man's heart to keep a channel open for His Word, and to stand up for Christian freedom. He will hold back the flood of confused ideologies which had been rising from the pit of hell, and pushing its way into the people's minds. May the Word of truth give us all renewed hope, and the courage to stand strong in the name that is above all names- the name of Jesus! (Phil.2:9-10)

Because He is love, *Angèle Caporaso (Jackie)*
