Politics & Prophecy, Part Three

Daily news events are loaded with prophetic signs. They are easily spotted by those walking in the Word & Holy Spirit with a heart for Truth.

We frame these signs within the perspective of His plan...to have a people rule the earth in righteousness, with His Spirit within them. For 6,000 years mankind was to rule in his fallen nature, doing his own thing apart from God, toiling under the taskmaster, Satan, in whose lap was the whole world due to Adam's corruption.

But now emerges a people who submit to their Creator, filled with His Spirit, know the right thing to do, and do it. This is the ushering in of the next 1,000 years, when God enters into His rest, His people.

Satan resists losing his control, but over a 7-year period of tribulation, it is taken from his grip. That ended in 2024. He will still create chaos, but it is clear now that the momentum has shifted. The stone mountain of the elect of God (**Daniel 2**), is growing.

How do we know all this is so? Here is a random list of some of the prophetic signs:

1. Righteous rulership has already taken over Hungary, Argentina, El Salvador, and is well on the way in Austria, Belgium, Sweden, Great Britain, Spain, Canada, & more-so in Italy, to name a few. These are prophetic signs that His Kingdom is expanding until all the kingdoms of this world are reduced to His kingdom, (**Revelation 11:15**).
2. A Great Awakening to truth is sweeping the earth. Fake news is exposed & replaced with truth-promoting media. This is a prophetic sign that truth is rising after being trampled in the streets, the 2-witnesses (Word & Spirit), seen in a people. And have you noticed the change from chaos to order this time with the White House Press Meetings? The wicked are in panic.
3. Hidden things are being exposed as the Light increases. This includes corruption in all of its forms. Money-laundering, bribes, blackmailing, drug trafficking, sex trafficking, kick-backs, lies, etc. These are prophetic signs of the mop-up as we progress

further into the Kingdom of the Son.

4. Judgment follows the exposures. We've begun that phase already with lawsuits & investigations into Kathy Hochul (NY D-Governor), Letitia James, assassinations, plane crashes, 911, the Epstein files, how Congress got so rich, voter fraud, radical judges, & a host of money trails, including Ukraine, Dept of Education, Pentagon, & USAID. Plus there is the arrest & deportation of thousands of criminal illegal aliens, (sent to jail & their countries). These events are evidence that God is pulling tares as He cleanses the earth.

5. Kingdom principles, standards, ways are becoming foundational. Examples include reciprocal tariffs, Greenland becoming part of the USA, instituting peace instead of war, and expect to see North & South Korea become one, as Mark Taylor had prophesied. These are prophetic signs that the righteous are uniting to strengthen each other in a "win-win" situation as the wheat is being gathered together while the tares are being removed. The transfer of lands & wealth is at hand.

6. God & His Son are being proclaimed openly in government. Louisiana has put the 10-commandments back up in schools. Tennessee is teaching the Bible in schools, and lately North Dakota officially proclaimed Yahshua/Jesus as the ruler over their state. Meanwhile, Praises, Worship & Prayer sound outside the oval office. These are all prophetic signs of who is taking charge.

7. And we didn't even get to Israel & the USA, Pam Bondi, Tulsi Gabbard, and others!"
