

Truth Nuggets Part 7

Millennial-Kingdom Myths (Part 3)

Misunderstanding is rooted in faulty information. There's lots of that in the church system, which focuses not on truth, but on their religious business. They lack the Spirit of God; either through shallow understanding of the Word, lack of hunger for truth, or from seeing God's Spirit as a threat to their control. Most of what they parade as spiritual is a soulish counterfeit of spiritual.

And so it is that they see the scriptures only by their natural understanding, meaning defaulting to literal interpretations. But much of it is prophetic, symbolic, and as examples pointing to spiritual realities. That's why the religious system with its adherents missed the first coming, and that's how they are missing Messiah's second coming. With the restricted concept of just two comings, they miss that "coming" is better translated as "revealing" and though it has been largely since Messiah's birth, his revealing has been increasing steadily since Abel.

Other examples of misunderstanding are New Jerusalem as a literal city landing on earth, and that a physical Temple needs to be rebuilt in Jerusalem before the Millennial Kingdom can begin, when scripturally it began in 2017. Here, in part 3, we present how he appears.

The myth from limited understanding is that he is coming in a cloud seen up in the sky. But isn't that what the angel said in Acts 1:9-11 to his apostles when he ascended? And doesn't it say in Zechariah 14:4 that his feet will touch down on the Mount of Olives, which will cause it to split?

Here's the deeper meaning. The scriptural principle is, "first the natural, then the spiritual," (1Corinthians 15:45-49). From Hebrews 12:1 we see that "clouds" represent his witnesses, those filled with both witnesses of the Messiah, the Word & the Spirit. And his feet represents the people of his Body, those found in him who truly have him as their Head. His Kingdom-on-earth is given to His Body, shoulders-to-feet, to govern. They have proven faithful to let Him reign in His Kingdom within them.

When God told Eve that she would have a son whose feet would crush the head of the serpent (Satan), this did not mean that our Messiah would physically step on the head of the devil. This was prophetic of him-in-us, our hope of glory taking action. By truth & his Spirit in us, we would defeat the devil, removing him & his corrupt world system.

He is appearing/returning/revealing/manifesting on earth in a people ruling by the authority of Messiah. These people are his feet. They are the small piece cut in the image of the rock of Yahshua (Jesus) who are smashing the feet of the satanic world system, (Daniel 2). The feet of that statue are the agents found in Satan. These tares are now exposed, obvious from their fruit. Their fruit is lies, deception, theft, murder, & destruction, for Satan has been the master deceiver & murderer since his creation. He comes to rob, kill, & destroy.

Who are these agents of Satan? We spot them everywhere, politicians, fake-news commentators, religious leaders, WHO, WEF, UN, plus certain leaders of Big Pharma, Big Agriculture, etc. Going back to 1 Corinthians 15, we see that the fullness of the new kingdom is not manifested until the wicked are all mopped up, by His feet, (Him in his people).

The Kingdom rulership began in the fall of 2017, and is accelerating. We are seeing this in the rebellious nations of the world being taken over by the righteous & the wicked brought to accountability as those in Yahshua start ruling with a rod of iron. The latest nation to flip is Ecuador. And ever notice that Karoline Levitt prays before her press conferences, and that she controls the narrative? We see the sword of truth thrust from her mouth. And Trump starts his cabinet meetings off with prayer, spreads truth daily, and takes authority over the evil plots of certain nations.
