

Truth Nuggets Part 9

Millennial-Kingdom Myths (Part 5)

The Myth is that the Millennial Kingdom starts as a sudden flip to utopia. Yes, there are noticeable moments, but a full turn-around takes time. David's Kingdom was not established overnight. Let's highlight a few inescapable signs all around us.

1. THE KINGDOM ("mountain"), INCREASES STEADILY (Daniel 2).

As the Light gets brighter, shadows become distinct, the Dark gets darker. Evil can no longer blend, but is increasingly exposed and identified. Think Letitia James, Fauci, Mark Milley, NPR, fake news, James Comer, & even many religious leaders.

2. PEACE INCREASES AS WAR & VIOLENCE DECREASE, (Romans 14:17, Isaiah 65:25). Enemy nations are coming into peace treaties with the USA & Israel. "The carrot looks great, and the stick looks terrible," so many rogue nations come to their senses as they see who's in charge. An adult is finally in the room. Hostages get released. Unlikely forces become our allies as the wolf and lamb lie down together, (Isaiah 11:6).

3. NO IMMORAL, DISHONEST OR EVIL PERSON IS ALLOWED IN MESSIAH'S GOVERNMENT LEADERSHIP, ((Revelation 21:27). As His Kingdom grows, our Judicial, Legislative, and Executive branches continue to get cleaned up, for Yahovah is our Judge, Lawgiver, and King, (Isaiah 33:22), the basis for our Constitution. This ushers in transparency, since there's nothing to hide. Truth is open to all day & night, (Revelation 21:24). Ever notice how available Mike Johnson, John Thune, Karoline Leavitt, Stephen Miller, Trump & Cabinet are?

4. THERE WILL BE AN INCREASE IN INDIVIDUALS OWNING PRIVATE PROPERTY, causing it to be fruitful, especially small farms, (Zechariah 3:10). We observe Homesteader, Amish & Mennonite multiplications. Many states outlaw the selling of farmland to China & other foreign nationals. Economic opportunities increase for all Americans. Lower taxes along with growth of many great-paying jobs are in play, elevating home-ownership.

5. POLLUTION ENDING. Why? Sin, the cause of the curse, diminishes as righteousness

grows, (Isaiah 24:4,5). Say good-bye to chem-trails, pesticides, toxins in air, water, soil, food, vaccines, and even pollution in souls. Robert Kennedy Junior is on top of the body part. This is not instant, but heed the swing.

6. DRIFT TO IMPROVED HEALTH & LONGER LIFE SPANS TRANSPIRING, (Isaiah 65:20). Big Pharma is buckling, so double-standard drug pricing is disappearing. We'll soon see up to 80% price drops. Many patents for cures that they bought & buried are coming to light. As Messiah's Light increases, there will be more of an awakening/hunger for truth. This causes His authority to arise within them to take charge not only for their health, but also for their relationships, finances, and distractions/disorder/confusion in their lives.

7. THERE ARE VERY NEW AND DIFFERENT WAYS, (Revelation 21:1). Change "rocks our boats" as we adjust. Homeschooling skyrockets while public school attendance drops. The Homesteading movement enlarges dramatically, with a focus on family, community, organic food, innovation, proper care of animals, and fruitfulness. Home Bible Studies expand, as the exodus from man/money-centered church systems amplifies. Attendees bring something to share, (1Corinthians 14:26), typically including part of a meal afterwards. With money not going to salaries, buildings, & programs, people give as God's Spirit directs, (NOT to get a tax deduction! See hushmoney.org). Love is the pure motive. Servants are the new leaders. Financial flips include the end of the Central Banking system, Federal Reserve System, and IRS, (Read "1913"), with a return to a gold standard and a digital money system free of money laundering capabilities, all in the works.

8. EVIL NO LONGER TOLERATED, (Revelation 19:15). Alcatraz being rebuilt, Noem calls for death penalty. Hamas & other terror groups being wiped out. Criminal illegals deported & jailed by the tens of thousands. Bondi, Kash, Bongino, Martin, Gabbard & all Cabinet Heads clean house. DOGE cuts fraud, waste & abuse. Building of all-muslin city, "EPIC" in Texas halted, plus Abbott starts criminal investigations.

(to be continued...)

Eric lives with his wife (& editor), Mary Elizabeth, in Easton, Maine. They can be contacted at ericjellis@protonmail.com. He is an independent Bible researcher, semi-retired engineer, and author, with previous careers in teaching & carpentry. At www.bibleconcepts.com, their writings are available as free pdfs & may be distributed without sale or profit, including this article, found under "Other Writings," "Studies by Eric." As always, there is so much more we could have shared, but lacked room! Stay in the Word, walk in His Spirit, keep up with the news and pray!
