

## Truth Nuggets Part 15

### Millennial-Kingdom Myths (Part 10) Politics & Prophecy

The Bible is all about who will rule, both in hearts & in nations, a saga between good & evil. It is a spiritual battle, displayed through people. Politics is also about who will rule, so we see through political events how this war is playing out.

The final conflict comes at the end of the “Church Age.” As the ages change, the conflict gets settled. The Millennial Kingdom of the Son is the Age that follows “The Church Age.” We are early in the Millennial Kingdom (which technically began in 2017), when this conflict positioned. As the righteous have gained power, the wicked have become more desperate, uniting to attack with increased ferocity. Yet, our Creator has the enemy lash out in greater numbers in order to lead them to their destruction. (Think the demise of Iran, Hamas, Hezbollah, Houthis, etc.)

This pattern of “the wicked initiating conflict which ends in their demise,” was evident when Israel was birthed as a nation under Moses from Egyptian slavery. It repeated with Joshua establishing the land for the new nation. Again we saw this when Israel became the world empire under King David. In modern times, it echoed when America under Washington broke from the tyranny of Great Britain and when the nation of Israel became reestablished as a nation. Now, today we witness this model under Trump as the deceptive global cabal fiercely attempts to weaken the USA.

As we progress further into the Millennial Kingdom, we witness once again this pattern of “the wicked attacking only to get defeated.” It is a religious myth that the new age comes suddenly making the old corrupt world system go “poof!” When Israel became a nation in 1947/48 there was practically no government, no military, no finances, and very few people. It took time for these anchor-points of a nation to develop. A baby is born in a day, but needs lots of nurturing to mature. So it is with this New Kingdom Age.

Yet the trends become more obvious as time goes on. These include the growth of power & influence of the righteous as that of the wicked diminishes. Another trend is

truth rising up everywhere; in the media, science, medicine, agriculture, education, business, and so on. Yet another is the increase of peace, plus the expansion of lands for the nations that proclaim the Word, (Israel & the USA). We are witnessing all of these trends accelerate.

How so? As for gaining territory, think Panama, Greenland, Western Canada, etc. for the USA. Think Gaza, Judea & Samaria for Israel. As for the trend of peace, think of Trump brokering peace between India & Pakistan, Kosovo & Serbia, Egypt & Ethiopia, Abraham Accords, Rwanda & the Congo, and now Cambodia & Thailand...all within the first half of 2025!

The USA is now the world's foremost economic & military powerhouse, energy independent, and soon to be the world's manufacturing juggernaut. As for increased truth, notice the decline in the media that promotes falsehoods? They continually lose both viewers & multi-million dollar lawsuits due to their fake news. Truth media meanwhile is skyrocketing.

And rejoice in who is being raised up as Governors: Steve Hilton, California, Andy Biggs, Arizona, Ken Paxton, Texas, Vivey R., Ohio, Nancy Mace, South Carolina and for Senator, Michael Whatley, NC with too many others to mention here!

Higher standards & justice are rolling in. Obama, Clintons, Bidens, Comey, Brennan, Clapper, Rice, Shift, Pelosi, Schumer, Warren, Letia James, Jack Smith & Newsom are all in trouble. Judge Boasberg, rogue judges, and treasonous politicians all face accountability. They never read Numbers 32:23, "...your sin will find you out." The time is up for the corrupt!
