WARFARE FOR WORLD DOMINANCE

OUR LIFE IS WITH CHRIST IN GOD- As I sat in my chair the other day, having a conversation on the phone with a dear friend, I suddenly had a moment of insight, an epiphany. "I felt myself entering another place where I was surrounded or enveloped by love and goodness. What I felt was very powerful and totally indescribable. I was entering into an immense place filled with bright, yet soft light. It seems there was a round covering, like a very high gigantic tent spread over it, It made me think of a womb. Within this very large place were many people busily moving around, but I did not hear a sound; I was made aware that I had entered into the "Body of Christ." Then I was again in my chair, on the phone, continuing my conversation. What happened had nothing to do with what was being said; it just happened in a few seconds. Since then, I can still see that place, and although the feelings are no longer as strong, my thoughts keep going back to it, trying to re-capture the moment, and uncover its true meaning.

Paul told the Athenians, *"For in Him, we live and move and have our being, as also some of your own poets have said, For we are also His offspring."* (Acts.17:28) It is in Him that we live; there is no life outside of "in Him," *"For ye are dead, and your life is hid with Christ in God."* (Col.3:3). We are dead; it means that we are cut-off from knowing God, knowing who we are or where we belong; we are lost. It is the light of the Holy Spirit that is walking us back into life. In my experience, I was getting a flash taste of what it feels like to enter "In Him," and it felt so good and so right. The veil of flesh of these mortal bodies, keeps us anchored to the natural mind. Nevertheless, Christ is in us, and by the power of His resurrection His nature arises in us so that little by little, the mysteries are being unveiled to our understanding. Paul said, *"We are always confident knowing that while we are at home in the body we are absent from the Lord."* (II Cor.5:8) As long as we are in these bodies, we cannot be at home in the Lord.

Paul explains to the saints, that He has chosen us in Him, predestined us unto redemption, made us know the mystery of His will *"That in the dispensation of the fulness of times, He might gather together in one, all things in Christ, both which are in heaven and which are on earth--in Him."* (Eph.1:4-10) The saints or elect have much to do with this gathering of all things, (people) into Christ. In the fulness of the ages, all things of creation, all people will have found their place in Christ; we are in the progress of this work now. Jesus began this gathering work, and it has been ongoing ever since; it will continue in the ages to come. At the last trump, the time of resurrection, our spirits and our souls, along with those whom Jesus brings with Him, will be forever caught up into Christ, who is the only source of life. This is the manifestation of sons for which we and the world are groaning and travailing for. This is what Mr. Scofield's vision was about, but he interpreted it as a literal rapture in the sky, and he is teaching this error in his Bible footnotes.

Then the fulness of the Godhead bodily in Christ is complete in us, and we will do the greater works of delivering the world from death and corruption, *"...The works that I do shall he, (who believes), do also, and greater works than these shall he do because I go to my Father."* (Jn.14:12) We will heal the sick, the lame, the blind in soul and spirit, and we will raise the dead to life eternal. We will shine the Light

of the Holy Spirit of truth to obliterate all lies and guide the people into all truths and deliver God's beloved creation.

Christ is the Overcomer and the Conqueror in us. When we are faced with the enemy of our soul telling us that God cannot hear us, or that we are too evil to overcome the problem or the pain, and all such lies, we can call on the Overcomer to rise from within, and we will find the power to withstand and to conquer the confusion or struggle in our minds. In this way, He is putting all His enemies under His, (our), feet. *"Let God arise, let his enemies be scattered..."* (Ps.68:1) God's entire creation has been and still is in transition, and the old order and familiar ways are sticking to us like super glue. We wrestle daily against princes or rulers of the world of darkness, the voices of counterfeiters and scammers who are masters of deceit, working their black magic to make us believe their lies and follow them. Nevertheless, God's truth is marching on, and, beginning with Jesus and the firstfruits, all lies are being exposed. All things are being transformed and becoming new. *"And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write for these words are true and faithful."* (Rev.21:5)

THE DREAM- In the dream, *"I was in my house. It was more roomy and airy than my actual house, and it was being completely remodeled. There were many workers moving about and much activity in and out everywhere. The work was being done so fast, it seemed that all was moving in fast-forward motion. I looked out of a window and saw a couple who had once been my close friends, and with whom I fellowshiped regularly. They had bitterly turned away from me because of a disagreement in the Word. In the dream, they were driving into my driveway, but because of the activity, they pulled out. Later, when the workers were finished, I looked for their car, but it was gone."* When I pondered this dream, the Spirit spoke into my ear, *"And he that sat upon the throne said, 'Behold, I make all things new..."* (Rev.21:5) This dream is a word spoken, not to me only, but to all who are walking this same journey at this time. Our house in the dream, is where we dwell spiritually, (spirit and soul). It stands for what we believe, and how we live out what we believe.

The activity in the dream confirms the quick work of the Holy Spirit within our house, bringing new life where there was only death. He has quickened our spirits, He is subduing and transforming our minds, remodeling our souls to be ready for the redemption of our bodies. *"For our citizenship is in heaven from which we also eagerly wait for the Savior, the Lord Jesus Christ, who will transform our lowly body that it may be conformed to His glorious body, according to the working by which He is able even to subdue all things to Himself."* (Phil.3:21 NKJ) Much activity has been taking place to bring us to a new, higher place where we belong in Christ. We are coming to a place of new and greater vision in Christ, new understanding, and it is happening very quickly, just as in my dream, the workers were moving in fast-forward mode. Changes are happening, not only in us, but also in the world around us, because what takes place in the Spirit, affects the entire world. The spiritual indeed affects changes in the natural world. The great and small kingdoms, the mighty empires of the world, all were under the influence of the realm of Spirit. For a time, God gave mankind free will and free rule over the earth, to do whatever he would with the life therein. That was part of God's plan, yet, God's plan cannot be changed, thwarted or prevented...it is steadfastly on track.

THE RISE AND FALL OF GREAT CIVILIZATIONS- There came a day when God shook the Babylonian king Nebuchadnezzar with a dream that he could not remember, and that none of his diviners could know or interpret. Indeed, God speaks to world leaders, but none is able to understand, and none of their counselors are capable of interpreting, They all rely on the wisdom of this world, so today we could say that none of all the heads of State, kings, presidents, prime ministers and such, can rely on the wisdom

of their cabinet members or advisers to solve the world's problems, unless the spirit that led Daniel is also leading them. God's dealing with the kingdoms of this world has been revealed, and the words spoken by the prophets since the world began, continue to come to pass today. God's decree stands, *"Surely, the Lord God will do nothing, but he revealeth his secrets unto his servants the prophets."* (Amos 3:7)

Daniel faced the king and said, *"You, O king, were watching, and behold a great image! This great image whose splendor was excellent, stood before you, and its form was awesome. This image's head was of fine gold, its chest and arms of silver; its belly and thighs of bronze. Its legs of iron, its feet partly of iron and partly of clay. You watched while a stone was cut out without hands which struck the image on the feet of iron and clay, and broke them in pieces. Then the iron and clay, the bronze the silver and the gold were crushed together, and became like chaff from the summer threshing floors; the wind carried them away so that no trace of them was found. And the stone that struck the image became a great mountain and filled the whole earth."* (Dan.2:31-35). Then Daniel proceeded to describe the world powers, from the greatest to the weakest struggling ones, that would arise and fall, one after the other. Looking at history from where we are today, we are in awe at how the dream came to pass and how such rich, mighty and impressive powers, which contributed so much in the fields of engineering, construction, philosophy, politics, the arts and more, have fallen into ruins and extinction.

The head of gold was the all powerful and wealthy empire of Babylon. It was defeated by the "arms and chest of silver" of the Medes and Persians which, united under Cyrus the Great, became a mighty empire, that through many strategic military battles conquered the all powerful Babylon. The belly and thighs of bronze, was the Greek empire which, led by Alexander the Great defeated the Medes and Persians. With each defeat, the kingdoms were broken down and lost power, eminence and wealth, symbolized by the lesser beauty and value of the metals in the image. The legs of iron represent the Roman Empire. Over time, Roman generals led their armies into battles against the Macedonians and the Greeks, and conquered the bronze powers.

The Roman Empire was led by corrupt rulers which caused political instability. The people revolted against extreme taxation and slave labor, and barbarian invasions became a threat. The toes of the image were ten tribes or clans, (the Alamannis, the Franks, the Goths, the Saxons etc..), who fought and defeated Rome. From these emerged the European nations that we know today. Powerful leaders among them, fought to unite these iron and clay nations under a one world order, but none succeeded. Charlemagne, king of the Franks, used military force to unify countries of Western Europe into one world empire but the iron and clay could not stick together, and he failed. Others tried and failed. Napoleon went all the way to Russia where his troops froze to death in the bitter cold and snow. He gave it another try and took his army to Holland and Belgium where he met his Waterloo. Hitler tried it and now another might have a desire for it, but the toes will never stick together as the iron and clay cannot be mixed and be formed as one.

THE STONE THAT WILL FILL THE WHOLE EARTH- *"...And the stone that struck the image became a great mountain and filled the whole earth!"* This stone had the power to grow, and to become a mountain which symbolizes a kingdom. It is an allegory, as the corn of wheat that fell into the ground and died, and brought forth much fruit. Indeed, the kingdom of God came to earth as one stone, one rock, the Man Jesus Christ, and it has been growing in the hearts of His followers all over the earth, ever since. Christ is the Conqueror, unlike all others, who will bring the whole world under His rule, that God may be all in all. God had revealed this to His prophet Daniel, and so it is decreed and sealed. The glory of man's rules, monarchies, democracies, authoritarian regimes, dictatorships and such, all led by men will

meet their end when the stone breaks down the toes of the image into pieces that will never rise again. Much of the Americas are populated by the "toes" people of Europe as well. The kingdom of God is already formed in the hearts of Christ's followers, it will be made known and continue to spread, when the sons are manifested to the world, to reveal the One true God, and preach the "Eternal Gospel" to the entire creation.

PREACHING THE GOSPEL OF THE KINGDOM OF GOD- One day, Jesus visited a woman's house. She washed His feet with tears of love and gratitude, and dried them with her hair. This stunned the Pharisees and taught His disciples a great lesson, for Jesus forgave her all her many sins. Then we read of a day, when *"It came to pass afterward, that He went through every city and village, preaching and bringing the glad tidings of the kingdom of God..."* (Lk.8:1) This is how Jesus preached the kingdom of God. He did not need programs, or buildings, or expensive advertisements, Jesus went where the Father sent Him. He said, *"I can of my own self do nothing..."* (Jn.5:30) The Father told Him what to do; this is the way a son of God ministers. Jesus offended the leaders of the synagogue by doing things that were not in their laws; to them He was a rebel, but He followed the will of His Father. This is why our Lord has brought us out from under the control of any governmental church or religious order; as sons, we must be free to follow the Spirit of God, and His ways are not the established ways of man.

THE EVERLASTING GOSPEL- It was at the time when the beast and its image, (the fulness of man's power in the world), had gained full control over the lives of human beings, that, *"Behold, a Lamb standing on Mount Zion and with him one hundred and forty-four thousand ..."* appeared. There were thundering and the voice of many waters, and harpists, and they sang a new song that no one could learn except the hundred and forty-four thousand, redeemed from the earth. What an awesome time this was, and it was then that another messenger appeared in the midst of heaven, *"...having the everlasting gospel to preach to those who dwell on the earth..."* (Rev.14:6) This is a prophetic image of the works that are enfolding in us and to us first, and will be felt in the world shortly. The thing that caught my attention, is the angel, (messenger), coming to preach a new gospel to those who are still in the realm of the earth, (darkness).

I believe that this everlasting gospel is the Word that is written in the hearts of the sons of God. It will open the eyes of the spiritually blind, the ears of the spiritually deaf and will raise the spiritually dead. It will open their hearts and minds, to see Jesus, not as one man of Galilee, but as an entire new creation. In our day, we believed in order to see, but the world will believe because they will see. When they believe, the grace of God will save their souls, and they will enter into the kingdom of God forever. When Jesus went to Samaria, it was the beginning of the greater ministry to the world. The sons, in His likeness are poised for the day that will bring in all the rejects into Christ. For it is written that in the fulness of time, all things, all peoples, all creatures, all creation will be gathered into Christ. No matter where they have hid themselves, no matter how they have worshipped the gods of this world, none will be able to resist the power of the love of God that beckons them to come into Christ.

The everlasting gospel declares that *"God was in Christ, reconciling the world unto Himself..."* He did not fail. Oh yes, faith is needed, and man resisted the faith, and refused to believe...until the time, when the Lamb and those who followed Him, swooped down upon them with love so great and so powerful that their resistance broke down, and they bowed down and believed. *"Who shall not fear You, O Lord, and glorify your name? For you alone are holy. For all nations shall come and worship before You. For your judgments,(not unto penalty, but unto grace), have been manifested."* (Rev.15:4)
