### Jubilee Years & Our Days

In the Bible, a Jubilee Year is when property & wealth are restored to rightful owners, loans terminate, and new ownership begins, (Leviticus 25). Jubilees always begin on the 10th day of the Hebrew 7th lunar month, the Biblical “Day of Atonement.”

Jubilees occur every 50-years, starting in the 49th year, (after 7 Sabbatical years). So, if we know when one Jubilee Year was, then we can place all of the others. For all of mankind, the countdown began with Adam & Eve. The first Jubilee for Israel was in the 50th year of Israel entering to possess the Promised Land, (Leviticus 25:8-13).

Yehovah, set the days of man at 120-years, (Genesis 6:3). He also designated 6-days each week for labor, and the 7th for rest; however, since a day can often be looked at as 1000-years, (2Peter 3:8), the ultimate Jubilee will be after 6,000 years (120 x 50), both in the natural & spiritual realms. The 7th day is appointed as man’s day of rest, free from the captivity of work under a task-master & his corrupt world system. So the 7th millennial is the start of earth’s title deed switching from satan to Yehovah, our Savior/Deliverer/Redeemer (John 3:16) & His Son.

Our previous writings have shown why 2017 was the start of the Millennial Kingdom, an epoch Jubilee Year. So what’s the first thing one does when they have the title deed to their land? They get rid of the vagrants, and then they clean up the mess they left! That’s exactly what we’ve been seeing. The previous owner, Satan, isn’t politely relinquishing his control without a desperate fight, but God’s people are steadily expanding their control as they claim what is rightfully theirs, bringing things into Divine order. God equips His chosen ones.

2017 was also a Jubilee year for Israel, when they received recognition from the USA (followed by other nations), that Jerusalem was rightfully their capitol. Israel reclaimed the land politically that rightfully belonged to them. In their prior Jubilee year of 1967 they regained the physical territory of Jerusalem at the end of the miraculous 6-days war. In the Jubilee prior to that (1917), the territory of what is now Israel switched from Turkish control to control by the British, who issued “the Balfour Declaration,” giving Israel the right to their homeland, positioning Israel to possess the land 30-years later

in 1947/48. That's when the land began to transform from a desolate, barren, trashed land under Turkish/Arab/Muslim dominion into a fruitful, lush, beautiful land under Israeli ownership, (fulfilling Ezekiel 36).

Biblically, the land & its people are inseparably linked. The land is a reflection of the people, and the people by the land. Indeed, Isaiah 24:4-6 warns that the land suffers when the people become ungodly, resulting in pollution, litter, parasites, drought, disease, pests, environmental havoc, and foreign control. The reverse is also true.

The USA also meshes with the Biblical Jubilees, plus has its own from its 1776 birth, meaning all years ending in 76 and 26. From that perspective 2026 promises to be a year where we'll see major changes, including a prominent rise of the righteous to positions of authority. Expect a tsunami wave of MAGA Republicans elected in 2026, followed by impeachment of activist judges & arrests of criminal Democrats & RINOS. Justice will no longer be hindered. Although those elected in 2026 don't actually assume power until January 2027, the election results of 2026 will signal the prior change in the spiritual realm, with the earthly manifestation to soon follow. And we will see in 2026 the beginning of the transfer of wealth from the wicked to the righteous. The IRS, Central Bank, & Federal Reserve are all nearing their demise. Money laundering, crime, drug & sex trafficking will collapse. Righteous nations will become more righteous. Many more goat nations will flip to be ruled by people who love God, truth & common sense. In time, once all are subdued to our Messiah by his people, we'll see his return to his spiritual temple by the first resurrection of "the overcomers," triggering the billion soul harvest.
