Understanding Current Events

We can understand world events & what's ahead in the context of God's plan to forge man into His sons in His image, (character & nature), through whom He would rule creation. The process of maturing into His image requires challenge, just as a tree needs strong winds to grow deep roots. Messiah himself was made into the image of the Father (Yehovah), by the things which he suffered, (Hebrews 5:8). We saw examples of God's dominion-rulership through Joseph, Moses, & David, who were raised to top government spots to advance His Kingdom on earth.

Satan was given 6,000 years to rule the earth through fallen man, (John 12:31, 2Corinthians 4:4); then becomes dethroned by sons of God, who originally are seen not as the religious, but those of godly character, bearing good fruit. They increasingly rule with a rod of iron, (without compromise). The restoration of creation soon follows, (Romans 8:20-23). These are the ones who will take part in the first resurrection, the younger brothers of Yahshua, our Messiah. Their resurrection completes their growth into "sonship, with full authority of the throne."

Satan's reign technically ended in 2017, which began the "7th Millennium," ("The Millennial Kingdom of the Son.") But the transition takes time because satan fights to maintain control. Even after God's Sons begin rulership, the wicked are still around needing to be dealt with, as made clear in Revelation 11:15 through Chapter 12. We perceive two other things in that passage.

First, it is the Body of Messiah, his younger brothers, the "sons of God," that throw the devil from his spiritual position down to earth. They can do this because they have overcome their fallen nature by the Blood atonement of the Lamb & the power of Yehovah's Spirit within, (Revelation 12:11, 21:7). They know the right thing to do and they do it no matter the consequences, (Hebrews 8:10).

Second, it is after the Millennial Kingdom begins that the fight against evil really explodes, for the devil is desperate. Yet he fails & *ALL* nations will come to worship before Yehovah, (Revelation 15:4). We notice an acceleration of this trend of nations aligning. In Central & South America alone we see El Salvador, Honduras, Ecuador, Bolivia, Peru, Argentina, and Chile flipped from corrupt leaders to leaders of light &

truth. Expect Brazil, Venezuela, and Columbia to be next. Elsewhere we see Thailand, Japan, Costa Rica & the Czech Republic line up. There is also a major movement in Great Britain, Germany, France, and Romania to follow the footsteps of Hungary, Poland & Italy. Additionally, major rumbling are stirring in Canada, Panama, Cuba, Iran, and others.

Yehovah operates by bringing in the last great shakings, (Hebrews 12:26-29, Matthew 24), to bring an awakening, to bring a separation, to conclude with judgment against the wicked. There will be just tares & wheat before He works through His sons to start pulling the tares. That time is “the day (a time), of Yehovah,” “the day of His wrath,” (against the tares), & “the day of judgment.”

It is the end of the age, the harvest time, when all bears fruit, meaning the tares can no longer hide in deception, the time when *ALL* hidden things get revealed, (Daniel 12:9, Luke 8:17). Examples include Bukele of El Salvador exposing their violent gangs as satan worshipers. Voter fraud revealed in Georgia, Wisconsin, Minnesota, etc., along with the bribery, sex crimes, theft, (in the billions by Somalis of Minnesota, Maine, & other states), corruption of Judges such as Boasberg, (plus many for bribery by drug cartels), and criminal Governors, (Tim Waltz, Gavin Newsom, etc.). Interestingly, many Senators & Reps are quietly not rerunning in the mid-terms.

Meanwhile we see Trump & his cabinet ruling with a rod of iron; eradicating Iran’s nuclear sites, capturing Maduro, withdrawing from WHO, WEF & UNESCO (while telling NATO, the UN, EU & globalists that their agenda is now irrelevant), arrests of tens of thousands of the worst of the worst by FBI, Benghazi criminal captured, drug cartel boats blown up, & Venezuelan oil tankers supporting terrorism seized, not to mention deportation of millions of illegal aliens.

The sons continue to shine brighter. Trump leads the National Prayer Breakfast and sets May 17, 2026 for a National Mall event to rededicate our Nation back to God, while Mike Johnson presents the Biblical case for strong borders and millions come to Yahshua in Iran, the Middle East, and North Africa. And the best is yet to come!
