The Great Reset

From the beginning Satan sought control over all creation, especially the jewel of creation, mankind. Satan was in a jealous rage that the dominion of creation was given not to him, but to mankind. But human global rulership of mankind over creation would not fully go into effect until mankind multiplied & filled the earth. At that time there would be enough people to take full stewardship of the vast heaven & earth with all of the life in it.

Before we continue unveiling the plot, it's important to understand scripturally who Satan is. He was a murderer from the beginning (John 8:44). That means he was NEVER an angel of light. He is also the master of deception, being the father of lies, (also John 8:44). He was NEVER on the good side, although he would often deceive people into thinking he was, appearing to them as though he actually was a good angel in order to gain their trust.

Satan's driving passion is to rob, kill, & destroy (John 10:10), especially man, (with a focus against women, since they birth multiplication). So Satan's plan B was to deceive man to rebel against their Maker, which he did. Mankind & the world then fell into the lap of the wicked one. Satan could then use man's fallen nature of self centeredness to divide marriages, families, & nations, filling the earth with violence, murder, & wars, keeping mankind from multiplying quickly over the earth.

Today however, mankind has finally covered the planet. It's time for the "One World Government," but Satan wants it to be his. So he pushes for "a Great Reset," bringing all nations into the control of a world dictator under his sway, one currency, one military, one government setting the rules. With total control established, a massive depopulation program would ensue, (likely under the guise of saving the planet).

This all sounds familiar, because we have been witnessing the cranking up of "the Great Reset" in recent years. However, Yahovah has a plan too. His plan is also for a "New World Order," Oh yes, we are seeing a Great Reset, but it is not Satan's...it's God's! Yah's One World Government is a very different Kingdom, a very different Government. It is one of divine order, not chaos, one of a higher standard, His standard as detailed in the Bible and understood by His Spirit, as seen in His Son, Yahshua. What can we expect "His Kingdom of Divine Order" to look like? It will look like His Son, the first man to

become immortal, fully in the character & nature of the Creator, (Yahovah), with His 7-fold Spirit, and the 12 fruit of the Spirit. Yahovah's Son is His glory, and will cover the whole earth (Habakkuk 2:14). How? Through a myriad of men & women who are also His Sons, (adopted Sons because His Son, our Messiah paved the way for them).

They are called the people of the (Re)New(ed) Covenant, (Jeremiah 31:33, Ezekiel 36:26, Hebrews 8:10, 10:16); and named "Overcomers," (of the old nature, by grace through faith), "the Younger Brothers," and "the Firstfruit Company," (the first group to be resurrected & to rule with Messiah as in Luke 20:35-36). They are the living stones of the third Temple (1Peter2:5), the most magnificent one of all, the Spiritual Temple that Yah dwells in, being built now. In other words, God will rule all of Creation in and through those of mankind who matured into the fullness of His Son, (Ephesians 4:13).

This new Kingdom of God, the Millennial Kingdom, will be one of peace, not war, love, not hate, order, not confusion, health, not sickness, cleanliness, not filth, giving, not taking, serving, not grasping for power over others. And so, we witness the clash between the agents of Darkness and the agents of Light in the struggle of the Great Reset between Satan versus "Messiah-in-a-people." We know who wins this fight because Light triumphs over Darkness!
