

Truth Nuggets RINOS & The Marriage Feast

It's so much easier to understand current events through the lens of Biblical truths. After all, this natural world is just the expression of the reality of the spiritual world. So let's start with a Biblical truth presented in Matthew 22:1-14.

The truth is concealed in a parable. A King prepares a marriage feast for his son & bride, but the privileged invited people declined the invitation. The irritated king then extends the invitation to anyone & everyone. The King's banquet hall was soon packed, much to his delight. The event's dress code was to put on a wedding garment, which (at great expense), was freely provided for them, The King however noticed that one guest had not changed from his old clothing. The King had him tied up and removed to a dark place where nobody wanted to go. It was obviously essential to have all of the guests covered in their wedding garment before the feast began.

Why the severe consequence? Wedding garments were typically white linen, the Biblical symbol of righteousness, (Revelation 19:8). The change of garments is further explained in Ephesians 4-21-24 as a picture of an exchange of the old nature for the new nature, (& Zechariah 3:4). Flesh cannot get into (inherit), the kingdom of God. Anybody who prefers their old nature (their way instead of God's), is NOT going to get an immortal body. He never knew them, (Matthew 7:15-27).

The man who snuck in under the King's standard, had not conformed. He was uncovered as a hypocrite. Hypocrites portray themselves in a particular way, but act contrary. Hypocrites are not allowed into heaven, (Job 13:16).

So what does a RINO have to do with this story? RINOs are "Republican In Name Only." They claim to stand for the Republican principles and support the Republican President, but often vote against the Republican agenda. They are hypocrites, like the man who would not change his nature (garment), even when the new nature (wedding garment), had been made available. Hypocrites are enemies in the camp.

Both the Republican Party and the marriage feast were found to have hypocrites who got in. What makes this so interesting is the timing for today. At the end of the age the polarity between the righteous and the wicked grow so distinct that their identities become evident, (Revelation 22:11, Matthew 13:30). The character of each cannot be

hidden at the harvest time, because each is in full fruit, and one is known by what kind of fruit (deeds), they bear, (perform). Once ripe, the tares are eliminated and the wheat is gathered together where it is to be threshed (further refined), and put safely into the barn.

And this is the end of the age...harvest time! We are witnessing the full wickedness of the wicked like we've never seen before, and maturity of the righteousness on a whole new level. We are also noticing the tares being identified and starting to be pulled, (think Eric Swalwell, Tucker, Candice, FL Democrat Rep Sheila McCormick, (caught stealing \$5 million from FEMA), Letitia James, Somalis, Ilhan Omar, Macron, Carney, Starmer, Epstein clients, and even nations, (Venezuela, Iran), NATO, WHO, WEF, UN, EU & much more! As we continue along into the Millennial Kingdom, there is more light, Satan loses more of his grip on the world system while the righteous gain control, the standard is raised higher. ALL hidden things are revealed. Time is up for the corrupt. They cannot stop what is happening. Justice is about to swing full force.

The time of God's wrath upon the wicked is here, which means it's time for us to urgently examine our own hearts & minds, to have clean hands & pure hearts, to put on clean robes of righteousness. We will see a flood of more exposures, and also more dramatic battles. The conflicts are in the heavenlies against the principalities & powers of darkness, and they are manifest on the earth as calamitous shakings, (governments, earthquakes, volcanoes, etc.), and in the heavens (religious realm, unprecedented weather/space events). *We can have a new nature.* We've been given the Word, the blood atonement of our Messiah, and the Spirit. It's time to change clothes!
